SER0141061	Service Request - Building - Vacant/Blighted/Unsecured reSER0141061	I am requesting an inspection of my apartment building due to multiple ongoing safety and maintenance concerns that I believe need to be addressed. I live on the 3rd floor, Apartment 196, Building 720, at Sherwood Forest Apartments in Reno, Nevada. One of my main concerns is the stairs leading to my apartment. One of the steps appears to be loose or unstable and moves/sways when stepped on. I do not feel safe using the stairs, and I am concerned that the condition could cause someone to fall and become seriously injured. This has been an ongoing issue, and I do not feel that management has adequately addressed my safety concerns. There are also concerns with the walking surface leading to my front door and balcony area. The pavement is uneven, and there are areas	720 Robinhood Dr, Reno, NV 89509	Closed	Code Enforcement	2026-08-22 18:08:37	

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		where the wood next to the concrete is exposed and appears to be chipping/deteriorating directly in front of my door. This creates an additional tripping and safety concern, especially because this is a common path used to access the apartments. I am also requesting an inspection of the fire extinguisher and fire extinguisher cabinet located along the exterior walkway. The photos show the extinguisher inside the cabinet, and I am concerned about whether the cabinet and extinguisher are properly maintained, accessible, unobstructed, and safely positioned without creating a hazard or interfering with the walkway or required means of egress. I would like the Fire Prevention Bureau to determine whether the installation and condition comply with the applicable fire and					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		safety requirements. These issues have caused me ongoing concern about my personal safety and the safety of other residents who use these stairs and walkways. I am requesting that the City inspect these conditions and determine whether any building, fire, accessibility, or other safety-code violations exist.

SER0141063	Fw: Formal request for inspection and abatement- tree hazard, insect infestation, fire hazard, and overgrown drainage area at Sunvilla EstatesSER0141063	From: Jenna Deering <jennadeering88@icloud.com> Sent: Saturday, August 22, 2026 3:54 PM To: Code-Enforcement <Code-Enforcement@washoe-county.gov> Subject: Formal request for inspection and abatement- tree hazard, insect infestation, fire hazard, and overgrown drainage area at Sunvilla Estates I am submitting a formal request for inspection and corrective action regarding several ongoing safety and property-maintenance concerns at Sunvilla Estates. There is a large tree located immediately adjacent to my fence that is not owned by I am submitting a formal request for inspection and corrective action regarding several ongoing safety and property-maintenance	91 Cabernet Pkwy, Reno, NV 89512	Closed	Code Enforcement	2026-08-23 00:19:17	

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		concerns at Sunvilla Estates.					
		There is a large tree located immediately adjacent to my fence that is not owned by me or located on my property. I have repeatedly notified park management that the tree is growing very close to my fence and poses a potential hazard to my property. I have specifically requested that the tree be evaluated and appropriately trimmed or removed, but management has repeatedly ignored these requests.					
		In addition, the tree is heavily infested with box elder bugs. The infestation has spread from the tree onto my property and into my home. I have notified park management of this problem on multiple occasions, yet no meaningful action has been taken to address the source of the infestation.					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		I am requesting that the appropriate City/County department inspect the tree and surrounding property and determine whether it constitutes a nuisance, safety hazard, or hazardous/insect-infested tree requiring corrective action. I understand that Reno Municipal Code Chapter 8.32 contains provisions regarding trees and vegetation that constitute public nuisances. In particular, § 8.32.090 addresses trees and vegetation that are not properly maintained or that may endanger people or property, while § 8.32.100 addresses trees affected by dangerous insect infestations or plant disease. The code also provides the Urban Forester authority to order corrective action when necessary for public safety or to prevent the spread of insects or disease.					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		I am also requesting that the overgrown vegetation and drainage areas behind the residences be inspected. These areas contain tall, dry and overgrown vegetation that may constitute hazardous fuels and create a potential fire-spread hazard to the surrounding homes. I am additionally concerned that the vegetation may interfere with the intended function of the drainage ditches. Because these issues have been repeatedly reported to park management without adequate action, I am requesting that the appropriate authority independently inspect the conditions and determine who is responsible for correcting them. Specifically, I am requesting: 1. An inspection of the tree adjacent to my					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		fence for structural safety and potential property damage. 2. An evaluation of the box elder bug infestation and whether the tree is considered infested or diseased under applicable code. 3. A determination of who is responsible for trimming, treating, or removing the tree. 4. Inspection of the overgrown vegetation and drainage ditches behind the homes for fire and safety hazards. 5. A determination of who is responsible for maintaining and clearing those areas. 6. Written confirmation of any violations found and the corrective action required. 7. Information regarding what enforcement or abatement options are available if park management continues to disregard these conditions. I can provide photographs, videos, dates of previous complaints, and					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		documentation of my communications with park management upon request.					
		These conditions have been reported repeatedly, and I am requesting that they now be formally documented and inspected rather than continuing to rely on park management to address the complaints.					
		Thank you for your prompt attention to these safety and property concerns.					
		Sincerely,					
		Jenna Woolfe					
		Sunvilla Estates Resident

SER0141121	Black Chevy Pick up and flatbed utility trailer parked on the side of the house - 7996 Dornoch Ct - Parking Illegally/Abandoned vehicleSER0141121	Hello Reno Direct / Code Enforcement, I am requesting a Code Enforcement review of several ongoing conditions at a neighboring residential property located at 7996 Dornoch Ct in Verdi. The property has repeatedly been used to park and store multiple vehicles and trailers along the side of the residence in an area that does not appear to be an approved or designated parking area. Currently, a flatbed trailer is being stored in this side-yard area. This has been an ongoing and recurring issue involving different vehicles and trailers at various times. Of particular concern, this side-yard parking area is immediately adjacent to an emergency access road. At times, additional vehicles are parked in this area in a manner that appears to reduce the available clearance	7996 Dornoch Ct, Verdi, NV 89439	Open	Code Enforcement	2026-08-24 09:04:27	

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		and could potentially impede or delay access by fire engines,, or other emergency apparatus attempting to use the emergency access road. I would appreciate the City evaluating whether the recurring vehicle and trailer parking maintains the required width, clearance, turning access, and unobstructed passage necessary for emergency apparatus. Additionally, there is currently a pickup truck, without a hood parked in the front driveway that appears to be broken down or inoperative and has remained in a state of disrepair for an extended period. There has also previously been concern that vehicles using the side-yard area have driven over and damaged or displaced an underground water/irrigation utility box or vault. I understand that City					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		requirements regulate vehicle and trailer parking in residential front and side-yard areas, as well as the storage of inoperative or substantially disassembled vehicles. Rather than attempting to determine the specific violations myself, I am requesting that Code Enforcement inspect the property and determine whether the current and recurring conditions comply with applicable Reno Municipal Code and any applicable fire/emergency-access requirements. Photographs documenting the current conditions are attached. Thank you for your assistance

		Wash, specifically the car vacuum area located adjacent to the apartment complex where I live. Approximately three weeks ago, I began noticing a loud hissing noise coming from one I am submitting a noise complaint regarding Sierra Express Car Wash, specifically the car vacuum area located adjacent to the apartment complex where I live. Approximately three weeks ago, I began noticing a loud hissing noise coming from one of the car wash vacuums. The equipment appears to periodically decompress, producing a very loud hissing sound that occurs approximately every 30 minutes. The most concerning aspect is that this noise continues 24 hours a day, 7 days a week, even after the car wash has closed for the day. I initially contacted Sierra Express Car					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		Wash's customer service and spoke with the manager of the location on August 6, 2026. I explained the ongoing noise issue, and she said she would speak with the employees at that location and address the problem. The noise stopped for only one night and then resumed the following day. I contacted the car wash again and spoke with the manager on August 8, 2026. I again explained that the noise was continuing, and she said she would speak with the employees again. Unfortunately, the issue has continued. The loud hissing noise still occurs approximately every 30 minutes and appears to occur 24 hours a day, 7 days a week. Because I live in the apartments directly next to the vacuum area, the noise is clearly audible from my home and is disruptive, particularly during nighttime and early morning hours.					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		I have attempted to resolve this matter directly with the business on two separate occasions, but the problem has not been corrected. At this point, I am requesting that the City investigate the source of the noise and determine whether the equipment is operating in violation of applicable noise regulations. I would appreciate any assistance in addressing this ongoing disturbance and ensuring that the equipment is properly repaired, adjusted, or otherwise operated in a manner that does not create a continuous nuisance for the surrounding residents. Thank you for your attention to this matter.

SER0141426	Service Request - Debris on Private PropertySER0141426	Hello, This is a follow-up to previously closed Case SER0140519 regarding long-term storage of trailers, debris, equipment, and other large items in the easement behind the surrounding residential properties. The previous case was closed because the inspecting officer stated that no trailers could be observed from the right-of-way. The easement is quite long, and the items are located farther down the easement and may not be visible when looking from the opposite end. ACCESS/LOCATION: Please access the easement from Lucky Lane, immediately to the RIGHT of the property at 52 Lucky Lane. The reported issue is NOT located at 52 Lucky Lane; that address is only being provided as a landmark for the easement entrance.	4066 Sycamore Way, Reno, NV 89502	Open	Code Enforcement	2026-08-25 16:28:39

SER0141593	White Ford E-150 - 770 La Rue Ave - Parking Illegally/Abandoned vehicleSER0141593	My neighbor, Doug, lives in a duplex on La Rue and he runs his screen door business from the alleyway behind his home. I've lived at 879 Walker Ave. in the alleyway with my two kids for 5 years now and the area next to my front yard has become beyond cluttered and dirty. His items are spilling into the alleyway and his extra van filled with items is only one of the issues I'd like to ask for help with. He has two dead vehicles in his driveway, wood pallets, tarps, metal pieces, and clutter everywhere. My tire was recently punctured by a nail and while I can't say for certain it's from him, I've found nails in the driving area. Two nights ago we saw a large rat running from under a pile of his mess, back into another pile. We've had massive infestations down here. He frequently has trucks pull up to load things and he's bothered me to say I'll be blocked when I was sleeping because	770 La Rue Ave, Reno, NV 89509	Closed	Code Enforcement	2026-08-26 19:53:20	

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		of night classes. I have wanted to say something, but the confrontation is so awkward. Several neighbors are bothered by the dirty mess and one of them is elderly. I don't want to upset Doug, but I truly think he needs to clean up his area, not keep items in the public alleyway, and his van needs to be moved. This is my only access to my home and it's frustrating worrying about rats and nails and the kids and animals who frequently walk by. Please help! And please keep me anonymous if possible! Thank you!

SER0141596	Parked Van and Overflowing HoardingSER0141596	Hello! I tried to submit this request online through the portal, but everything I entered disappeared after I uploaded all the information and pictures! I'm writing about the property of the owner of Argenta Phantom Screens and Service at 770 La Rue Ave, Reno, NV 89509. This neighbor, Doug, is friendly, and I've known him since I bought my alleyway home at 879 Walker Ave, 5 years ago with my two kids. Anyway, he conducts his business in the back of his duplex in the alleyway in front of and to the side of my house. For well over a year, he has kept one of his business vans (a White Ford E-150) with his business name on it parked in front of my house, behind his neighbor on La Rue, and it sits there filled with work items, never	770 La Rue Ave, Reno, NV 89509	Open	Code Enforcement	2026-08-26 20:29:07	

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		moved. Even landscapers have had to work around it, as have roofers who fixed the neighbor's driveway. He has two (what I assume are) dead vehicles I've never seen leave his cluttered driveway since I moved in on April 21st, 2021. He keeps wooden pallets, large metal rods, boxes, and many other random things piled outside his parking area in the alleyway, covered in tarps and often surrounded by cones. He conducts his business from the alleyway, often disturbing us and twice knocking on my door to ask if he can block my car for a while. I've found nails and garbage in the alley, and two nights ago we saw a large rat run from under one of his piles to another. This was the last straw for me, as I've seen rats down here on the fences and climbing the telephone poles. We've had horrible					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		infestations down here in the past, and this is something that I would hate to see return. He constantly parks behind my elderly neighbor's garden, right behind my garage, working directly in front of my area when I'm in my garage. It has gotten exponentially worse over the years, and I hate seeing people walking animals and kids riding bikes and scooters when there's so much garbage piled up with bugs and rodents. My kids have always walked to school through the alley, but they've gotten used to this mess. Neighbors, however, share my sentiments. I just happen to be directly in front of this because this part of the alleyway is my only front yard. Doug has La Rue as his front yard, and from the looks of his front door, he has even more of a mess in his home. I don't want to make life worse for him, but he truly needs to clean up					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		the area and use his driveway space, which is filled with an old truck and minivan that never move. I hope someone at the city can speak with him and insist that he make some changes for the health of our neighbors, kids, and animals. Any help is greatly appreciated! I would like to remain anonymous, if possible, for the sake of being able to exist[cid:12b02f0a-db47-45eb-ae19-5093ab2c4c00][cid:02c24da9-ad1c-4e3f-9b61-2cacd48d8de3][cid:de561e9f-e4be-41d6-b1d5-cf50e5681789][cid:d302b054-b928-4406-8601-8590d355f847] in his presence daily. SER0141599	Service Request - Debris on Private PropertySER0141599	Dear City of Reno Code Enforcement, Good day, I am writing to request assistance regarding trees on my neighbor's property that are causing an ongoing nuisance and concern for our property. We have previously spoken with our neighbors politely regarding the large amount of leaves and debris from their trees that continuously fall into our backyard. Unfortunately, instead of solving the problem, after we talked to them, they planted two or three more large trees immediately next to the fence, which has made the problem even more significant. We recently had a new HVAC system installed at our home. The HVAC technician who installed the system advised us that the falling leaves and debris from the	765 Yori Ave, Reno, NV 89502	Open	Code Enforcement	2026-08-26 23:48:04	

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		neighboring trees could potentially damage or affect the HVAC equipment. We are concerned because the trees are located very close to our property line, and the continued falling leaves and debris are creating a recurring nuisance and may result in damage to our newly installed HVAC system. We would respectfully like to ask the City of Reno to determine whether the location, size, or condition of these trees, or the amount of debris they are causing on our property, violates any City ordinance, property-maintenance requirement, nuisance provision, or other applicable regulation. We have tried to address the matter with them directly and respectfully. We simply want to protect our property and newly installed HVAC system					

Number	Case	Description	Location	State	Assignment group	Created	Ward number
		and understand what options are available to us under City regulations.					
		I would greatly appreciate your guidance regarding whether this matter falls under Code Enforcement or another City department, and what steps we should take to have the situation properly evaluated.					
		I can provide photographs of the trees, fence, falling leaves and debris, and the location of our HVAC equipment if needed. In the pictures I provided, my husband already removed or cleaned some of the falling leaves on the ground, as we need to clear the area where the HVAC system will be installed.					
		Thank you very much for your time and assistance. We sincerely appreciate your help.

SER0141684	Service Request - Yard issues on private propertySER0141684	We live in an HOA. Our backyard backs up to the common area and they rarely maintain it. They are negligent and it has become a fire hazard. If what I read is correct, under Reno Municipal Code Section 8.22.040, uncultivated plant growth and weeds cannot exceed eight inches in height and dead/dry vegetation must be mitigated. As you can see in the attached photos, the overgrowth is so bad that it's pushing into private backyards. We have tried for years to get them to consistently maintain the common area but they make excuses.	2541 Rampart Ter, Reno, NV 89519	Open	Code Enforcement	2026-08-27 12:55:05

SER0141694	690 E Patriot blvd unit 348SER0141694	The reporting party states that the countertops in her unit are made of pressboard and have deteriorated due to daily kitchen use, humidity, and mold. She brought the issue to the property manager's attention and was informed that the kitchen would require repairs and that she would be unable to occupy the unit or use the kitchen for approximately three days. The reporting party has asthma and is concerned about exposure to the harsh chemicals being used during the repair process. She is also concerned that temporary accommodations have not been provided while the work is being completed. The reporting party is requesting information on whether Code Enforcement can assist with addressing these concerns and determining whether the	69 E Patriot Blvd, Reno, NV 89511	Open	Code Enforcement	2026-08-27 14:17:31
