SER0145487	Service Request - Debris on Private PropertySER0145487	I am reporting an ongoing garbage and sanitation issue at my apartment complex. A resident regularly leaves household garbage bags and other trash directly outside her apartment door in the shared interior hallway. The garbage is sometimes left there for multiple days at a time, including during hot weather. The trash creates a strong, unpleasant odor that can be smelled throughout the shared hallway and sometimes while walking up the stairs to the third floor. This is a common area used by other residents and is affecting our ability to comfortably access our homes. This has been an ongoing issue for months. I have contacted the apartment management office multiple times, including an email complaint in July and subsequent phone calls. 		management has acknowledged that the situation is unpleasant and has indicated that it would be addressed, the resident has continued leaving garbage in the hallway. I have photographs documenting the recurring issue and can provide them if needed. I am requesting that the city investigate whether the continued storage of household garbage in the shared hallway violates applicable sanitation, nuisance, or property-maintenance requirements.

SER0145496	Report ABANDONED VEHICLE SER0145496	I am formally requesting the urgent investigation and subsequent removal of a vehicle that appears to be abandoned and is unauthorizedly occupying a space within the Golden Apartments parking lot for the last 30+ days. This particular vehicle is situated directly outside Building 540. For precise navigational reference, the Golden Apartments are located at the crossroads of Lymberry Street and Brinkby Avenue, immediately adjacent to the Peppermill Hotel & Casino. The vehicle in question is a dark blue or black Audi A4 Cabriolet, with an estimated manufacturing year between 2002 and 2009. It is distinctly a convertible model, equipped with a black soft-top roof and black aftermarket wheels. A critical identifying characteristic is the complete absence of any license plates, which	3095 Lymberry St, Reno, NV 89509	Closed	Code Enforcement	2026-09-26 09:36:53

		significantly reinforces its suspected abandoned status. Furthermore, the vehicle displays extensive pre-existing damage, most notably a completely missing rear bumper cover. This exposes several internal components, including the inner crash bar, aluminum impact beam, and dual exhaust tips. This level of damage not only suggests significant neglect or abandonment but could also pose a safety concern to other residents and vehicles. The prolonged and unauthorized presence of this vehicle is disrupting the parking resources and detracting from the overall appearance and safety of the property.

SER0146224	Service Request - Nuisance, Not Otherwise ListedSER0146224	These people have two dogs, one of which literally never shuts up and I have never once heard them tell it to be quiet. The larger dog barks as well, but not as much as the smaller one.I also see it up in the park and it is constantly barking. It is disturbing the entire neighborhood and we are sick and tired of listening to it. Something needs to be done about it. Neighbors have even left them notes saying that they are tired of listening to it and all they do is just ignore them.	5151 Driftstone Ave, Reno, NV 89523	New	Code Enforcement	2026-10-01 14:51:56

SER0146273	Service Request - Building - Vacant/Blighted/Unsecured reSER0146273	There is Black mold in my room #17 at Rancho 777, on 777 E fourth St, Reno Nv 89512, that has been exposed and my manger has known for months and has not done anything. All she has done has brought contractors in and have them paint over it and just patch holes, she needs to replace all the boards that are completely rotten with mold. She has a contractor coming in and is just putting up a piece of drywall and patch the holes. That is completely unacceptable and is causing my wife to be sick. We can smell the mold throughout our room. This has been an issue for months. This needs to be fix immediately	777 E 4th St, Reno, NV 89512	New	Code Enforcement	2026-10-01 23:33:53
