June 2017

The City of Reno provides numerous parks throughout the community. From small neighborhood parks to the 49-acre Idlewild Park,

residents and visitors have opportunities to find a venue that suits their needs.

There are 18 reservable park shelters that accommodate from 50 to 200 people. Each shelter comes with picnic tables and barbecue.

Excellent park facilities surround each shelter for groups to enjoy; however, please note that these amenities are not reserved as part of a picnic

shelter permit. Playgrounds, tennis, volleyball, basketball, horseshoe pits, skate parks, etc. are normally open to the public at large.

Staff are available to help you identify which facility may best meet your needs. For current rental rates or to make a reservation please call (775) 334-2417. Additional information can be found at www.reno.gov.

Park Rangers may stop by during a shelter rental to check permits and to ensure a safe and healthy environment. They will be happy to take your feedback and comments.

Reservations

Reservations for park shelters are taken beginning the first business day in October for the upcoming calendar year on a first come, first served basis.

Park shelters are available to rent from 10 am to 8 pm in the summer, 10 am to 6 pm in the off-season.

Park shelters are available on holidays. Regular rental rates apply.

Insurance may be required.

For weekend reservations made after 4 pm on the Thursday prior, condition of area is not guaranteed.

A requested date will be temporarily held. However, a completed contract must be signed and payment made within 3 business days from the date the tentative reservation was made. If this deadline is not met, the tentative reservation will be canceled and the date/location will be made available to other requestors.

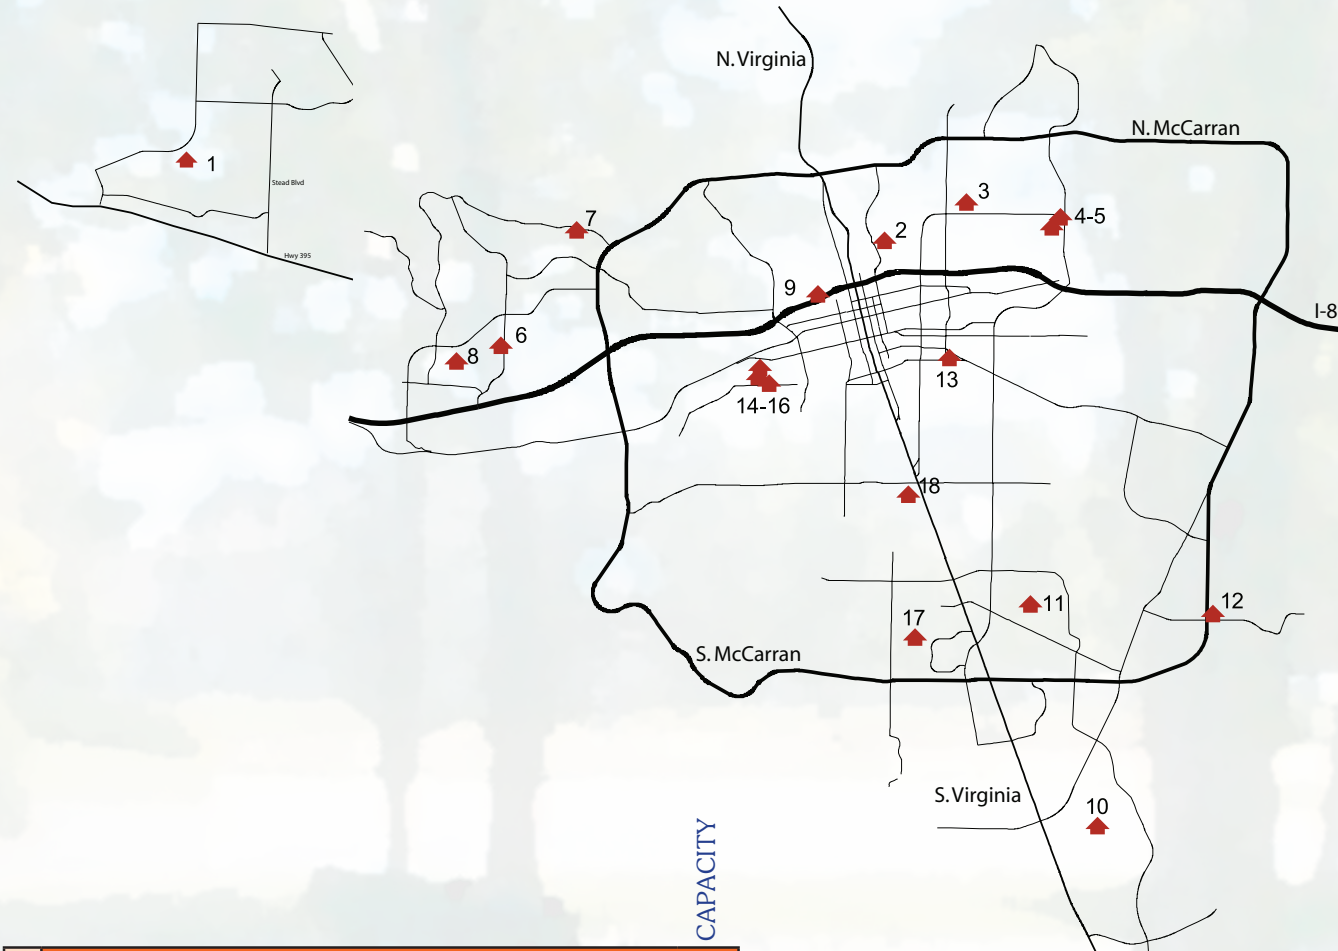

Groups of more than 200 people must be approved by the parks division to receive a permit. There will be an additional "Large Group Fee." A Special Event permit may also be required.

A beer and wine permit is required if these beverages will be consumed at your event. A security deposit will be required with all beer and wine beverage permits.

Bounce houses and similar apparatus are not allowed unless a Special Event Permit has been issued.

Requests for use of amplified sound (including use of a DJ, mixing board, live band or sound amplifiers) will be reviewed on an individual basis. A Sound Amplification Permit or Special Event Permit is required. Amplified sound may be restricted to certain parks and times based upon the intended use and impact on others. Users may need to supply their own power generator.
