

Judge Howard Recognized by Reno City Council

The Reno City Council recognized May as National Drug Court Month through a proclamation. Special recognition was given to Judge Kenneth Howard for his unyielding dedication to the Fresh Start Therapeutic Court which he has operated for more than 15 years. It is estimated that drug courts save an average of \$13,000 per criminal defendant. During his tenure, Judge Howard has saved the City of Reno more than \$4 million in costs associated with alcohol and drug related crimes, arrests and incarceration.

Councilman Oscar Delgado presented the proclamation to Judge Howard who was joined by his family for this honor. Congratulations to Judge Howard, his drug court team and Reno Municipal Court as a whole, for their continuous support of this important program.
