

# Safe Camp Update

*Community Homelessness Advisory Board*  
*April 5, 2021*

# Current Community Conditions

Relocate people  
from the river

Finding effective  
solutions to end  
homelessness

Environmental  
Concerns

Wraparound  
Services

Public Safety  
Concerns

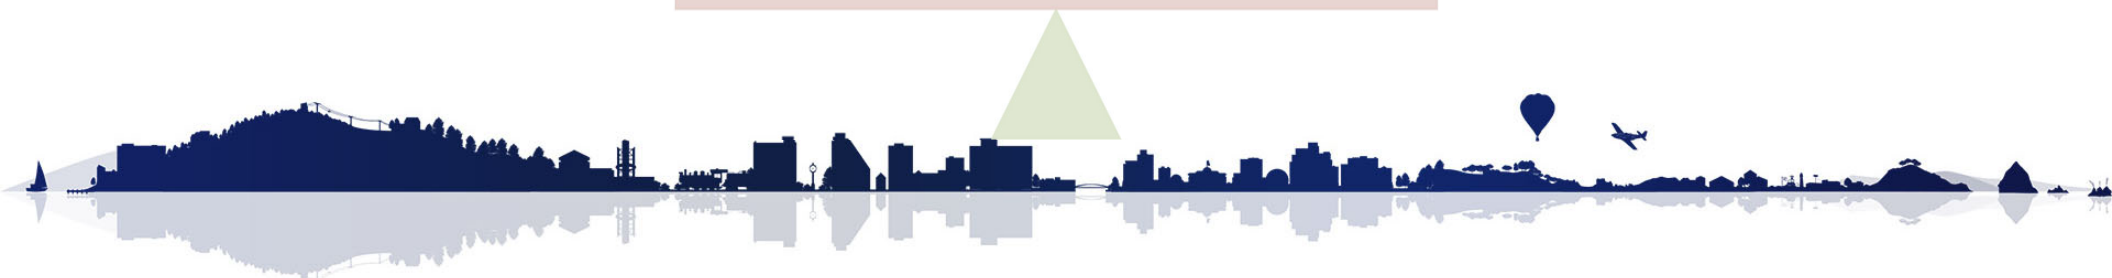

Human Needs

Public Health  
Concerns

Housing Focused

Public space  
enjoyment

Quality of Life

# Successful Models / Analysis

Camp Hope | Las Cruces, NM

GRACE | Gainesville, FL

Safe Outdoor Spaces | Denver, CO

Permitted Encampments | Seattle, WA

-Housing Focused-  
-Well Staffed-  
-Low Barrier-  
-Harm Reduction-  
-Small Size-

# Governor's Bowl Site Development

## Site Evaluation

- High costs for site infrastructure
- Emergency/ADA Access
- Long timeframe

## Temporary Site

- Provide services while permanent safe camp is under construction
- Expand our outreach work with Karma Box Project

## Longer-Term Camp

- Will go out to RFP for permanent operator during construction

# Program Model

**#1 Goal:  
Housing  
focused**

## Services

Restrooms | Handwashing  
Trash  
Drinking Water | Evening Meal

## 24/7 Staffing

Full-time County staff (1)  
Contracted Operator Staffing  
Case management  
Contracted Security

## Low Barrier

Meet people where they are  
Minimal rules  
No drugs/alcohol on site

## Participant Engagement

Facilitated feedback  
Camp Responsibilities

# Program Model

**#1 Goal:  
Housing  
focused**

**Couples and  
Pets**

**Eligibility**

Priority Criteria?  
Current Location?

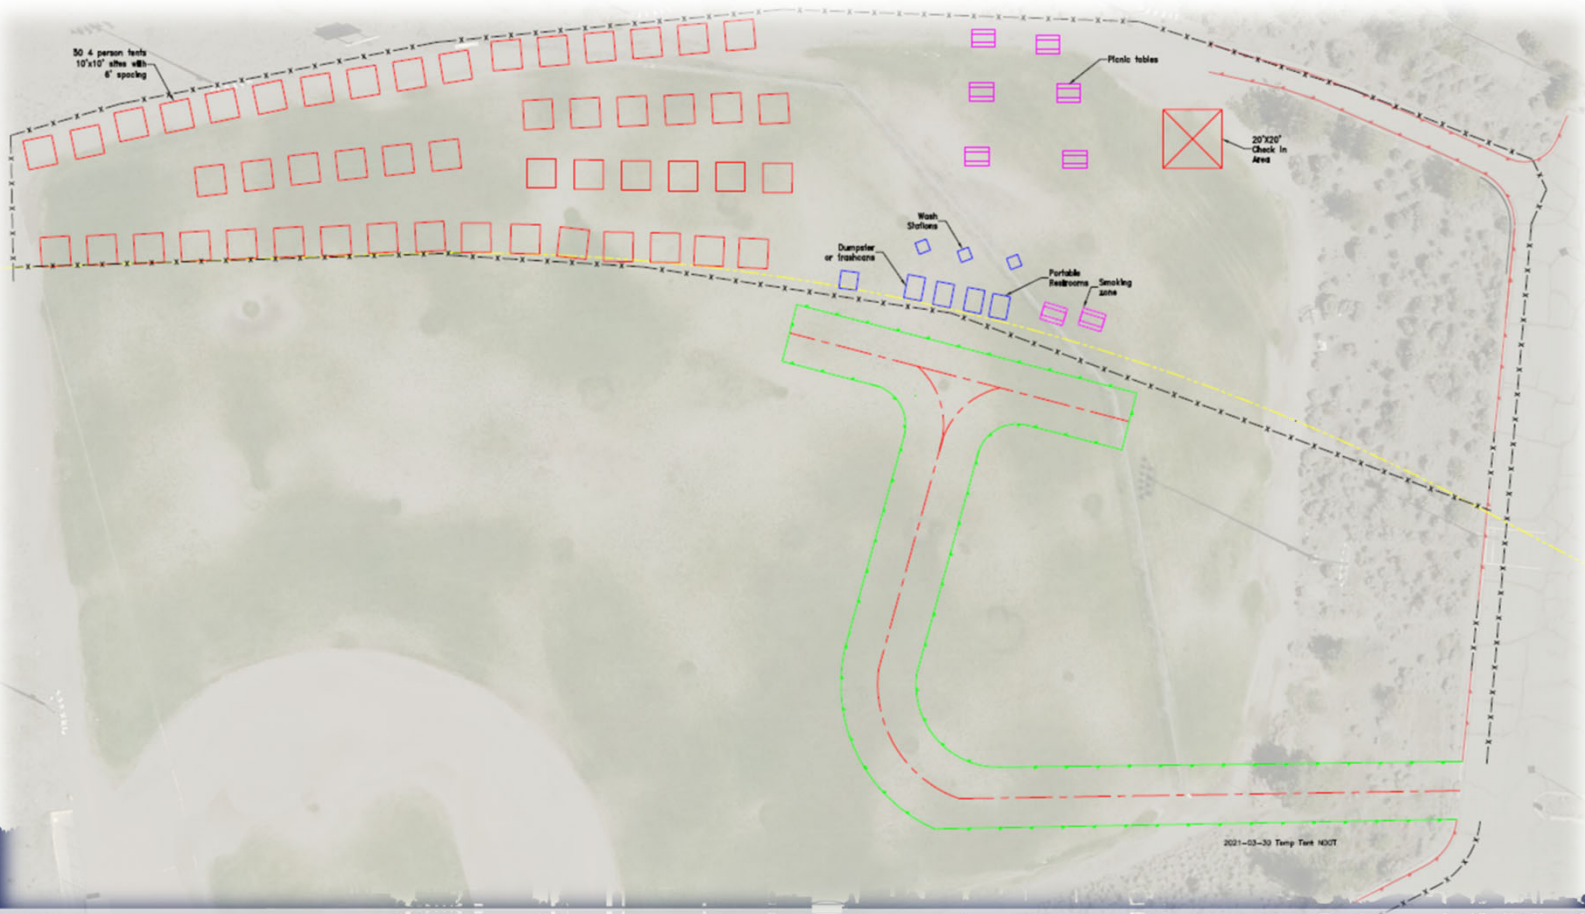

**Referrals**

Built for Zero Outreach  
Partners

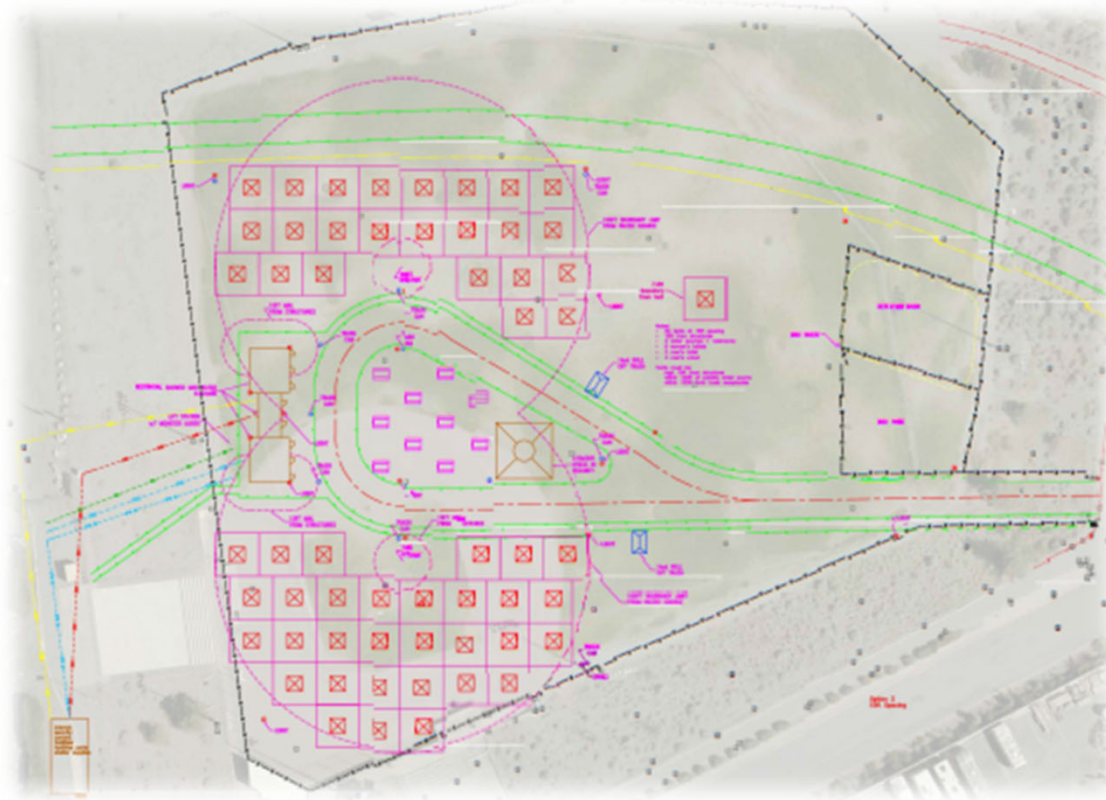

# Draft Pilot/Temporary Facility Model

# Draft Longer-Term Facility Model

# Longer-Term Facility

# Longer-Term Facility

**Restrooms,  
Handwashing,  
Drinking Water**

**Waste Management**

**Shade Structure**

**Pet Waste Station/Area**

# Longer-Term Facility

## Conceptual Community Space

- Dynamic multi-use space
- Cold weather/smoke/adverse weather planning
- Communal meals
- Essential elements still under consideration
