## CONSERVATION FUNDING

**90%**  agree that even with state budget problems, we should still find money to protect the state's land, water, and wildlife.

**71%**  support directing funding to ensure adequate access to parks and natural areas for lower-income people and communities of color that have disproportionately lacked them.

## PROTECTING LAND, WATER & WILDLIFE

**82%** support a national goal of protecting 30 percent of America's lands and oceans by 2030.

**85%** support creating new national parks, national monuments, national wildlife refuges, and tribal protected areas.

*"Preserving and protecting the special places and open spaces of Nevada for future generations."*
