Clean ups

# Key Updates

## Safety

- Additional security officers.
- Fencing installation for central ingress/egress.
- Guard shack in place for campus check-in, in addition to shelter check-in.

## Health

- Coordinating mobile COVID-19 vaccination clinic.
- Looking for additional pet vaccination options.
- Shift workers section added to the shelter.
- Shaded areas for guests and pets completed.

## Access

- Showers, day use areas, and daily meals accessible for all community members.
- Additional sani-huts and handwashing stations on campus.

## Single Women and Couples

- Accommodating single women and couples.
- Couples with pets are welcome.

# Ongoing Collaboration

---

- Finalizing Interlocal Cooperative Agreement for Shelter Operations, City of Reno, City of Sparks, and Washoe County (*CHAB Agenda Item 10*)
- Shelter capacity data available on [Reno.Gov/Homelessness](https://reno.gov/homelessness)
- Continued adjustments at the shelter, as needed

---

## ***Community Partners Future Planning***

- Phase 2 fundraising efforts, *Independent Community Fundraising Initiative*
- Phase 3 transitional housing, *Reno Housing Authority*

Thank you to all involved with the shelter's transition, operation adjustments, and on site projects.
