Reno City Council - Ward 3 in 2024	
Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:	
My interest is to be a part of a collaborative alliance dedicated in making Reno into the amazing	
city our citizens deserve. All Reno residents deserve a city that feels like home - a place to	
work, attend school, explore and play, and feel safe raising their families. As a citizen, I	
want this as well, by being a part of the solution. My current job has shown me the	
realistic challenges that our city leaders face. Like the rest of the country, the economic crisis of	
2007 and 2008, along with covid and the civil unrest of 2020 and 2021, have impacted Reno.	
The city is still feeling the effects. Reno will not go back to what it once was, nor should	
it. While I believe in learning from the past, we need to move forward to better. The city	
has began doing this. I look forward to working with you in continuing in that direction.	

I certify that, to the best of my knowledge, the information I provided in the application is true. If the information provided is false or incomplete, it shall be sufficient cause for disqualification or removal. I acknowledge that this document is part of the public record of the City of Reno and is available for public review.
