

Office of the City Manager

MEMORANDUM

DATE: March 7, 2023
TO: Honorable Mayor and City Council
THROUGH: Doug Thornley, City Manager **Approved Electronically**
FROM: Donny LaQue, Chief Deputy City Clerk
SUBJECT: G.2 Historical Resources Commission Appointments

During the March 8, 2023 Council Meeting (item G.2), there will be discussion and potential appointment of up to three individuals to the Historical Resources Commission. In order to fill a current vacancy, one appointment must be for a Historian with Knowledge of Local History while the other two are general, at-large positions.

When selecting the Historian with Knowledge of Local History, the applicant list does not specify who meets this criteria as it is incumbent upon Council to determine which applicant(s) are qualified. Council will need to identify for the record which of the three appointees will fill the Historian position.

As mentioned in the Staff Report, applicant Paul Ferrari has applied for re-appointment, however, he does not qualify to re-appointment due to term limits.
