- 1.4. CONSULTANT shall not proceed with work until both parties have executed this Agreement and a purchase order has been issued to CONSULTANT. If CONSULTANT violates that prohibition, CONSULTANT forfeits any and all right to reimbursement and payment for that work and waives any and all claims against RTC, its employees, agents, and affiliates, including but not limited to monetary damages, and any other remedy available at law or in equity arising under the terms of this Agreement. Furthermore, prior to execution and issuance of a purchase order, CONSULTANT shall not rely on the terms of this Agreement in any way, including but not limited to any written or oral representations, assurances or warranties made by RTC or any of its agents, employees or affiliates, or on any dates of performance, deadlines, indemnities, or any term contained in this Agreement or otherwise.

If it is later determined by RTC that CONSULTANT had an excusable reason for not performing, such as a fire, flood, or events which are not the fault of or are beyond the control of CONSULTANT, RTC, after setting up a new performance schedule, may allow CONSULTANT to continue work, or treat the termination as a termination for convenience.

## 7.2. CONTRACT TERMINATION FOR CONVENIENCE

A mediator selected by the parties' designated mediators shall meet the qualification set forth in as provided in Rule 4 of Part C., "Nevada Mediation Rules" of the "Rules Governing Alternative Dispute Resolutions adopted by the Nevada Supreme Court." This session will be attended by the Alta Project Manager and senior design staff from Alta in order to facilitate discussions. This Brainstorming session will form the basis for development of concepts under Task 2. Alta will provide summary notes and initial draft concepts developed during the session in pdf format.

*A similar Brainstorming Session for Task 3 projects may occur under an optional task as identified below following the conclusion of Task 2.*

##### **Project Management Calls**

Following the project kick-off meeting, the Alta Project Manager will conduct weekly project management calls with the RTC Project Manager; calls will transition to bi-weekly following the completion of Task 2. These calls are intended to be up to 30 minutes in duration and may be attended by additional RTC or City of Reno staff, as needed. Alta will provide summary notes and action items following each call.

##### **Task 1 Deliverables:**

- Kick-Off Meeting / Brainstorming Session Summary Notes
- Project Management Call Summary Notes

#### **Task 2 – Downtown Reno Bike Network Review**

This task will address urgent project needs in support of the *Safe Streets and Roads for All* grant determination and addresses only the study roadway segments identified in **Table 1**.

**Table 1. Study Roadway Segments (Task 2)**

<b>Study Roadway</b>	<b>Study Roadway Segment</b>
3rd St/Plaza	Lake St to Vine St
5th St	Keystone Ave to Evans St
E 6th St	Virginia St to 4th St

Vine St	Riverside St to University Terrace
Wells Ave	Moran St to 9th St

### Data Review

Alta will review the existing project conditions data of each study roadway segment, identified in **Table 1**. RTC will provide to following data to Alta by the Kick-Off meeting in shapefile or excel format:

- Average Annual Daily Traffic Volumes (AADT)
- Base Year & 2050 Model Outputs
- Most Recent Collision Data

*This scope assumes fidelity and availability of RTC provided data for scheduling purposes. Gathering data from outside sources due to poor data quality or lacking data may impact the overall project schedule.*

### Project Concept Refinement

Alta will consolidate project concepts identified in the Task 1 Brainstorming Session into a single overall project concept for each study roadway (**Table 1**). Alta will refine project concepts based on national guidance, existing conditions data, knowledge of the local network, virtual site review, and in-person site visits (up to 4 hours of site visits total).

Alta will provide a desktop review to the RTC of the refined project concepts for each study roadway segment in order to gather high-level feedback and direction. This Desktop Review is intended to be 2 hours in length and may supplement a planned Project Management Call, based on scheduling needs and availability. Alta will provide summary notes following the call.

### Project Cut Sheets

Alta will develop draft Project Cut Sheets for each Study Roadway Segment in **Table 1**. *Project cut sheets will include a project description, concept plan map, typical cross-section, identified Proven Safety Countermeasures, potential trade-offs (vehicle capacity, parking removal, etc.), and a planning-level cost estimate.*

Alta will develop a total of five (5) cut sheets under this task. Alta will incorporate one round of internally consistent client comments provided to Alta by the RTC in a single file (pdf, excel, or word format).

Alta will review the existing project conditions data of each study roadway segment, identified above. RTC will provide to following data to Alta in shapefile or excel format:

- Average Annual Daily Traffic Volumes (AADT)
- Base Year & 2050 Model Outputs
- Most Recent Collision Data
- Existing Bicycle Facility Data
- Traffic Signal Locations

- Aerial Imagery (if available) – *Alta may use NearMap in lieu of RTC provided aerial imagery*
- Bicycle & Pedestrian Counts (if available)

### **Develop Alternatives & Technical Memorandum #1**

Alta will review the provided existing conditions data and apply national design guidance and best practices to develop three potential bicycle facility alternatives along the corridor. Alternatives will be presented in Technical Memorandum #1 comparing and contrasting each alternative. The memo will provide a description, concept plan map, typical cross-section, identified Proven Safety Countermeasures, potential trade-offs (vehicle capacity, parking removal, etc.), and a planning-level cost estimate.

### **Review & Refine Alternatives**

Alta will incorporate one round of internally consistent comments into the memo and alternatives. Following the review, the RTC will select a preferred alternative for refinement and comparison against other potential connections.

### **Compare North / South Facility Concepts**

Alta will compare the preferred alternative along Sinclair Ave / Lake St / 6<sup>th</sup> St / Evans Ave with the following:

- the existing bicycle facility concept on Center Street;
- and the final bicycle recommendation on Virginia Street from the Downtown Virginia Street Urban Placemaking Study (*currently underway with the City of Reno*).

### **Technical Memorandum #2**

Alta will present the comparison of these project concepts in Technical Memorandum #2. This memo will include summary text of each project concept, the review process used, and a comparison matrix to review the three project concepts. The matrix will identify potential benefits, trade-offs, and any potential fatal flaws in project concepts. Alta will provide a draft memorandum for review and comment by the RTC. Alta will incorporate one round of internally consistent client comments into the memorandum. Additional rounds of stakeholder or client comments will be billed at standard rates for Time & Materials.

*It is important to note that this task is contingent on the completion of on-going planning work with the City of Reno. The ultimate delivery of final recommendations from the Downtown Virginia Street Urban Placemaking Study may impact the development of deliverables and completion of work under this optional task.*

**INDEMNIFICATION AND INSURANCE REQUIREMENTS FOR  
PROFESSIONAL SERVICE AGREEMENTS  
[NRS 338 DESIGN PROFESSIONAL]**

2022-07-08 Version

**1. INTRODUCTION**

IT IS HIGHLY RECOMMENDED THAT CONSULTANTS CONFER WITH THEIR INSURANCE CARRIERS OR BROKERS TO DETERMINE THE AVAILABILITY OF THESE INSURANCE CERTIFICATES AND ENDORSEMENTS IN ADVANCE OF PROPOSAL SUBMISSION. IF THERE ARE ANY QUESTIONS REGARDING THESE INSURANCE REQUIREMENTS, IT IS RECOMMENDED THAT THE AGENT/BROKER CONTACT RTC'S FINANCE DIRECTOR AT (775) 335-1845.

**2. INDEMNIFICATION**

CONSULTANT agrees, subject to the limitations in Nevada Revised Statutes Section 338.155, to save and hold harmless and fully indemnify RTC, Washoe County, City of Reno and City of Sparks including their elected officials, officers, employees, and agents (hereafter, "Indemnitees") from and against any and all claims, proceedings, actions, liability and damages, including reasonable attorneys' fees and defense costs incurred in any action or proceeding (collectively "Damages") arising out of the:

- A. Negligence, errors, omissions, recklessness or intentional misconduct of CONSULTANT or CONSULTANT's agents, employees, officers, directors, subconsultants, or anyone else for whom CONSULTANT may be legally responsible, which are based upon or arising out of the professional services of CONSULTANT; and
- B. Violation of law or any contractual provisions or any infringement related to trade names, licenses, franchises, patents or other means of protecting interests in products or inventions resulting from the use by the Indemnitees of any materials, devices, processes, equipment, or other deliverable (including software) supplied by CONSULTANT under or as a result of this Agreement, but excluding any violation or infringement resulting from the modification or alteration by the Indemnitees of any materials, devices, processes, equipment, or other deliverable (including software) not consented to by CONSULTANT.

CONSULTANT further agrees to defend, save and hold harmless and fully indemnify the Indemnitees from and against any and all Damages arising out the negligence, errors, omissions, recklessness or intentional misconduct of CONSULTANT or CONSULTANT's agents, employees, officers, directors, subconsultants, or anyone else for whom CONSULTANT may be legally responsible, which are not based upon or arising out of the professional services of CONSULTANT.

The Damages shall include, but are not limited to, those resulting from personal injury to any person, including bodily injury, sickness, disease or death and injury to real property or personal property, tangible or intangible, and the loss of use of any of that property, whether or not it is physically injured.

If the Indemnitees are involved in defending actions of CONSULTANT or anyone else for whom CONSULTANT is legally responsible, CONSULTANT shall reimburse the Indemnitees for the time spent by such personnel at the rate of the Indemnitees pay or compensation for such services.

If an Indemnitee is found to be liable in the proceeding, then CONSULTANT'S obligation hereunder shall be limited to the proportional share of the liability attributed to CONSULTANT.

In determining whether a claim is subject to indemnification, the incident underlying the claim shall determine the nature of the claim.

In the event of a violation or an infringement under paragraph 2.B above and the use is enjoined, CONSULTANT, at its sole expense, shall either (1) secure for the Indemnitees the right to continue using the materials by suspension of any injunction or by procuring a license or licenses for the Indemnitees; or (2) modify the materials so that they become non-infringing. This covenant shall survive the termination of the Professional Services Agreement.

The provisions of this Agreement are separate and severable and it is the intent of the Parties hereto that in the event any provision of this Agreement should be determined by any court of competent jurisdiction to be void, voidable or too restrictive for any reason whatsoever, the remaining provisions of this Agreement shall remain valid and binding upon said Parties. It is also understood and agreed that in the event any provision should be considered, by any court of competent jurisdiction, to be void because it imposes a greater obligation on CONSULTANT than is permitted by law, such court may reduce and reform such provisions to limitations which are deemed reasonable and enforceable by said court.

### **3. GENERAL REQUIREMENTS**

Prior to the start of any work on a RTC project, CONSULTANT shall purchase and maintain insurance of the types and limits as described below insuring against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by CONSULTANT, its subconsultants, or their employees, agents, or representatives. The cost of all such insurance shall be borne by CONSULTANT.

### **4. VERIFICATION OF COVERAGE**

CONSULTANT shall furnish RTC with a certificate(s) of insurance, executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth herein, on forms acceptable to RTC. All deductibles and self-insured retentions requiring RTC approval shall be shown on the certificate. All certificates and endorsements are to be addressed to RTC's Finance Director and be received by RTC before work commences. Upon request, CONSULTANT agrees that RTC has the right to review CONSULTANT'S and the Sub's

insurance policies, or certified copies of the policies. Copies of applicable policy forms or endorsements confirming required additional insured, waiver of subrogation and notice of cancellation provisions are required to be provided with any certificate(s) evidencing the required coverage.

## **5. NOTICE OF CANCELLATION**

CONSULTANT or its insurers shall provide at least thirty (30) days' prior written notice to RTC prior to the cancellation or non-renewal of any insurance required under this Agreement. An exception may be included to provide at least ten (10) days' written notice if cancellation is due to non-payment of premium. CONSULTANT shall be responsible to provide prior written notice to RTC as soon as practicable upon receipt of any notice of cancellation, non-renewal, reduction in required limits or other material change in the insurance required under this Agreement.

## **6. SUBCONSULTANTS & SUBCONTRACTORS**

CONSULTANT shall include all Subcontractors and Subconsultants (referred to collectively as "Subs") as insureds under its liability policies OR shall cause Subs employed by CONSULTANT to purchase and maintain separate liability coverages and limits of the types specified herein. If any Subs maintain separate liability coverages and limits, each shall include the RTC, Washoe County, City of Reno and City of Sparks as additional insureds under its commercial general liability policy, subject to the same requirements stated herein, without requiring a written contract or agreement between each of the additional insureds and any sub-consultant or sub-contractor. Any separate coverage limits of liability maintained by Subs shall be at least **\$1,000,000** per occurrence and at least **\$2,000,000** for any applicable coverage aggregates or the amount customarily carried by the Sub, whichever is GREATER. If any Subs provide their own insurance with limits less than required of the Contractor, Contractor shall include Subs in their coverage up to the full limits required of the Contractor. When requested by RTC, CONSULTANT shall furnish copies of certificates of insurance evidencing coverage for each subconsultant. CONSULTANT need not require its non-design subcontractors to carry Professional Errors and Omissions Liability insurance.

## **7. DEDUCTIBLES AND SELF-INSURED RETENTIONS**

Any deductibles or self-insured retentions that exceed \$25,000 per occurrence or claim must be declared to RTC's Finance Director prior to signing this Agreement. RTC is entitled to request and receive additional documentation, financial or otherwise, prior to giving its approval of the deductibles and self-insured retentions. Any changes to the deductibles or self-insured retentions made during the term of this Agreement or during the term of any policy must be declared to RTC's Finance Director prior to the change taking effect.

## **8. ACCEPTABILITY OF INSURERS**

Required insurance is to be placed with insurers with a Best's rating of no less than A-VII and acceptable to RTC. RTC may accept coverage with carriers having lower Best's ratings upon review of financial information concerning CONSULTANT and the insurance carrier. RTC

reserves the right to require that CONSULTANT'S insurer(s) be licensed and admitted in the State of Nevada or meet any applicable state and federal laws and regulations for non-admitted insurance placements.

## **9. OTHER CONDITIONS**

- A. Failure to furnish the required certificate(s) or failure to maintain the required insurance may result in termination of this Agreement at RTC's option.
- B. If CONSULTANT fails to furnish the required certificate or fails to maintain the required insurance as set forth herein, RTC shall have the right, but not the obligation, to purchase said insurance at CONSULTANT's expense.
- C. Any waiver of CONSULTANT's obligation to furnish such certificate or maintain such insurance must be in writing and signed by an authorized representative of RTC. Failure of RTC to demand such certificate or other evidence of full compliance with these insurance requirements or failure of RTC to identify a deficiency from evidence that is provided shall not be construed as a waiver of CONSULTANT's obligation to maintain such insurance, or as a waiver as to the enforcement of any of these provisions at a later date.
- D. By requiring insurance herein, RTC does not represent that coverage and limits will necessarily be adequate to protect CONSULTANT, and such coverage and limits shall not be deemed as a limitation on CONSULTANT's liability under the indemnities granted to RTC in this contract.
- E. If CONSULTANT'S liability policies do not contain the standard ISO separation of insureds condition, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

## **10. COMMERCIAL GENERAL LIABILITY**

CONSULTANT shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than **\$2,000,000** each occurrence. If such CGL insurance contains a general aggregate limit, it shall be increased to equal twice the required occurrence limit or revised to apply separately to this project.

CGL insurance shall be written on ISO occurrence form CG 00 01 04 13 (or a substitute form providing equivalent coverage) and shall cover liability arising from premises, operations, products-completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

RTC and any other Indemnitees listed in Section 2. INDEMNIFICATION of this Agreement shall be included as an additional insured under the CGL, using ISO additional insured endorsement

CG 20 10 07/04 or CG 20 33 07/04 or a substitute providing equivalent coverage, and under the commercial umbrella, if any.

This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded to RTC or any other Indemnitees under this Agreement.

CONSULTANT waives all rights against RTC and any other Indemnitees listed in section 2. INDEMNIFICATION of this Agreement for recovery of damages to the extent these damages are covered by the commercial general liability or commercial umbrella liability insurance maintained pursuant to this agreement. CONSULTANT's insurer shall endorse CGL policy to waive subrogation against RTC with respect to any loss paid under the policy.

## **11. COMMERCIAL AUTOMOBILE LIABILITY**

CONSULTANT shall maintain automobile liability and, if necessary, commercial umbrella liability insurance with a limit of not less than **\$1,000,000** each accident. Such insurance shall cover liability arising out of any auto (including owned, hired, and non-owned autos).

Coverage shall be written on ISO form CA 00 01, CA 00 05, CA 00 25, or a substitute form providing equivalent liability coverage for all owned, leased, hired (rented) and non-owned vehicles (as applicable). RTC may agree to accept auto liability for non-owned and hired (rented) vehicles under the CGL if CONSULTANT does not own or operate any owned or leased vehicles.

CONSULTANT waives all rights against RTC, its officers, employees and volunteers for recovery of damages to the extent these damages are covered by the automobile liability or commercial umbrella liability insurance obtained by CONSULTANT pursuant to this Agreement.

## **12. INDUSTRIAL (WORKER'S COMPENSATION AND EMPLOYER'S LIABILITY) INSURANCE**

It is understood and agreed that there shall be no Industrial (Worker's Compensation and Employer's Liability) Insurance coverage provided for CONSULTANT or any subconsultants by RTC. CONSULTANT, and any subconsultants, shall procure, pay for and maintain the required coverages.

CONSULTANT shall maintain workers' compensation and employer's liability insurance meeting the statutory requirements of the State of Nevada, including but not limited to NRS 616B.627 and NRS 617.210. The employer's liability limits shall not be less than **\$1,000,000** each accident for bodily injury by accident or **\$1,000,000** each employee for bodily injury by disease.

CONSULTANT shall provide a Final Certificate for itself and each subconsultant evidencing that CONSULTANT and each subconsultant maintained workers' compensation and employer's liability insurance throughout the entire course of the project.

If CONSULTANT, or any subconsultant is a sole proprietor, coverage for the sole proprietor must be purchased and evidence of coverage must appear on the Certificate of Insurance and Final Certificate.

CONSULTANT waives all rights against RTC, its elected officials, officers, employees and agents for recovery of damages to the extent these damages are covered by the workers compensation and employer's liability or commercial umbrella liability insurance obtained by Tenant pursuant to this agreement. CONSULTANT shall obtain an endorsement equivalent to WC 00 03 13 to affect this waiver.

### **13. PROFESSIONAL ERRORS AND OMISSIONS LIABILITY**

CONSULTANT shall maintain professional liability insurance applying to liability for a professional error, omission, or negligent act arising out of the scope of CONSULTANT'S services provided under this Agreement with a limit of not less than **\$1,000,000** each claim and annual aggregate. CONSULTANT shall maintain professional liability insurance during the term of this Agreement and, if coverage is provided on a "claims made" or "claims made and reported" basis, shall maintain coverage or purchase an extended reporting period for a period of at least three (3) years following the termination of this Agreement.
