

Office of the City Manager

MEMORANDUM

DATE: December 13, 2023

TO: Mayor and City Council

THROUGH: Doug Thornley, City Manager Approved Electronically

FROM: Trina Magoon, Utility Services Director
Jon Simpson, Engineering Manager

SUBJECT: De minimus proposed language change to Stormwater Utility Ordinance.

Please see the language change below for the Stormwater Utility ordinance for discussion today at Council.

Sec. 12.17.120. Jurisdiction (Service Area).

- (b) The following parcels shall be exempt:
- (4) Airport runways, taxiways, and aprons which are part of the National Transportation System and upon which ~~public~~ civil aircraft operate, or other areas that drain to the sewer collections system (example: pavement areas collecting stormwater runoff and aprons managing deicing fluids).
