SER0039878	Service Request - Zoning Issues with a BusinessSER0039878	Poor Devil Saloon noise complaints - AGAIN. Business is operating until 3am and is within close proximity to our residence at 817 S Center Street. We can hear and feel the bass from the music they play VERY LOUDLY up until 3-3:30AM. This occurs most nights of the week however seems to be worse Thursday - Sunday. The music is so loud it wakes us up in the middle of the night and we are unable to get back to sleep. I called the non-emergency number last week at 2am and they indicated they would not send a Sergeant out unless I signed a formal complaint. However, I did not want to wait up for the cops at 2am so I am uncertain if they showed. I have spoken with Josh the business owner and he gave me his phone number and asked that I not file formal complaints. I texted him numerous times and his latest response was "Don't text again." PLEASE let me know what can be done. I have read the zoning for our neighborhood and would like to request a formal complaint with Code Enforcement. Please call me at 206-849-3278.
