SER0041213	FW: sewer backup at 777 West 5thSER0041213	Hello my name is Heather Jones. I live at 777 West 5th Street Apt 3 Reno NV 89503. I rent from Olympia Property Group out of San Francisco California. Our sewer line is backed up again! There is raw sewage bubbling up through the clean out. This is a weekly event for months now. They eventually send some guy whom is not a plumber to put a bandaid on it but never resolves the problem! His snake gets bound up halfway through. So we can't use our toilet again or shower again! I stay at lakemill lodge room 302. I have brought it up to management about the sinks being cloaked as well as the bath tub. I've also brought up to management that there are bed bugs and cockroaches in which nothing has happened. I've also brought up that there's possibly black mold in the room as to making me and my fiancé sick and out of work unable to fully be able to pay for the room. I've talked to management about pushing the rent back a couple weeks as for my fiancé and I to be able to get up the rent money. But as to them not coming up to fix the sink or the bath tub is unsettling. Sent from my iPhone</p>	410 Mill St, Reno, NV 89501	Open	Code Enforcement	2024-02-27 13:17:33	3
