SER0043743	Service Request - Zoning Issues with a BusinessSER0043743	ENF24-C02355 the SUP (special use permit) issued in 2018 was about parking and not allowing taproom to be a bar. actually, the entire facility needs to be audited for parking as brewers cabinet has added unauthorized seating in their 'event room' which did not exist when SUP was acquired. parking is/was a huge issue. they need to add parking or close event room. the zoning is NC (neighborhood commercial) and faced neighborhood opposition. Lack of Parking issues make adding any new seating or expansion illegal. They are to be a restaurant w/alcohol service at tables only (no bar alcohol) and they had already maxed out their limited parking in 2018 and all new seating and event space needs to be closed until additional parking is found and the maximum seating capacity increased by getting permits and filing for another Special Use Permit. Im part of newlands neighborhood and remaining anonymous because i live 1 block away and do not want retribution. all brewers cabinet needs to do is follow their special use permit of 2018 and all is well. rules are rules. that special use permit is required to be posted in their facility. their annual strange brew festival may be in violation of the special use permit, but i'm not contesting that----1 day of inconvenience is cool. fighting for parking all summer due to much seating and people going there to hit the bar is a daily struggle for the neighborhood. thank you. ill tract this issue on accella.	475 S Arlington Ave, Reno, NV 89501	Closed	Code Enforcement	2024-03-17 10:13:12	1

SER0044202	Buried fence and drainage into propertySER0044202	Greetings. I have a neighbor who had some landscaping done recently. In doing so, they buried our shared fence and their water is draining into our yard and the fence is being used as a retaining wall, which is destroying it. The address of the neighbor is 5335 Tappan Dr 89523 I've attached pictures to show the fence that is buried. Thanks, Rob	5335 Tappan Ct, Reno, NV 89523	Closed	Code Enforcement	2024-03-20 20:44:04	5
SER0044203	Homeless Activity - North Hills Blvd- APN 552-141-16SER0044203	All There has been an increase in activity and encampments along North Hills Blvd between Beckwourth Dr and Buck Dr. There is vacant land primarily on the west side of North Hills Blvd with at least four observed encampments as of 03/20/24. With warming weather and fuels drying out there is an increased risk of vegetation fire in this area as all the encampments are in dense sage. Thanks for looking into this area. SER0044227	Re: Waste management, recycling, apartmentsSER0044227	<p>Per information forwarded by Community Liaison Shaw : " My small area off of W 7th has been jerrymandered into Ward 1. I have had contact with At-large before, during pandemic about illegal dumping and waste strewing at W. 7th CVS build site, that was a pathetic excuse for responsible govt..</p> <p>My neighborhood has two small apt. buildings with some ongoing trash/recycling issues. If I contact Reno Direct, all i get is "contact Waste Management". This is fruitless. I have to have the account # to do anything, and they are in Sacramento by phone.</p> <p>the one bldg. has a metal, rolling Recycle dumpster which is Fouled every week with garbage and etc. the regular larger lifter dumpster has a very heavy, high lid which does not stay open so tenants use the shorter recycle dumpster. Repeat Requests to address this- Nothing. Just get a better access for the lazy, heavy drinker tenants! Years of this nonsense!</p> <p>I pay \$9/mo and see this fouling of the recycle stream?</p> <p>The other apt. uses many of the smallest containers, many with No Lid, so the several blue bins regularly overflow with ordinary garbage. Plus the blue bins crowd the fire hydrant. Nice apt. retrofit but landlord is scrimping too much.</p> <p>Reno talks a game but allows WM to ignore the regular abuse of Recycling. \$9/month RIPOFF. I know how, and Why, and Where to recycle, not buying any more WM 800 lb. excuse"</p>	1365 Stardust St, Reno, NV 89503	Closed	Code Enforcement	2024-03-21 08:47:25	5

SER0044342	APN: 082-491-05 O Security CirSER0044342	<p>Additional update per phone call: 3 occupied RV's Construction company equipment at this location and being stored here Water is being brought in but there does not appear to be any type of sewage system for proper disposal of grey water. Building case number COM24-00160 regarding fence.</p> <p>The owner of this property is storing construction equipment and has someone living in the motorhome that has the black tarp on it. He has installed fencing all around the perimeter without permits. This property does not allow use for storage without a structure. The owner of this property is SkyWest Development and is a Licensed Commercial property broker and knows the laws and permitting ordnances and still decides to feel that he can do what he wants on this property. The fencing was installed without a permit. You can pull up the quick mapping to show this. There water and a generator as well as a person in the motorhome and a dog living on the property. This has become a nascence to the neighborhood as well as an eyesore with all of the construction derbies and containers, as well as the construction equipment and materials. Jeffery Louden is the owner of SkyWest development and the owner of this property and knows he is breaking the law and ordnances of Reno. Especially knowing he is a Licensed Commercial Realist ate Broker.
