

SENIOR GAMES / GOLF INFORMATION

Friday, August 23, 2024

8:00 am to 2:00 pm

Sierra Sage Golf Course, 6355 Silver Lake Road, Reno, NV 89506

Sport Fee: \$15.00

Events: Men's Individual; Women's Individual

Host: Bob Forse, 775-843-2895 or bobforse13@gmail.com

Competition will be **Individual Stroke** Play: Each player will play their own ball from tee to completion of the hole. Once a player reaches a score of Double Bogey (two over Par for the hole being played) the player must pick up their ball and move to the next tee. This is necessary to ensure a good place of play and keep groups from falling behind the group in front of them. There is no benefit or harm to a player's score once they reach double bogey. Golf facilities ask players to play in 4 ½ hours or less. During play we will be monitoring and enforcing this rule. Players may be asked to move up or skip a hole should the group fall out of position.

Individual Stroke Play Format: Men will play from the silver tees and women from the red tees. Each player will play their own ball from the tee to the completion of the hole. Once a player reaches a score of Double Bogey (two over Par for the hole being played) the player must pick up their ball and move to the next tee. All players should record their score for each on the scorecard. If they pick up before completing a hole (having reached double bogey) they should put an "X" on the scorecard for that hole. Scoring will be based on the Stableford System - note that score of double bogey or over will neither help nor hurt the individual score. The player with the highest number of points is a winner! Ties will receive the same medal.
