SER0047646	Service Request - Zoning Issues with a BusinessSER0047646	On Saturday evening at approx. 5:56 p.m. I noticed a patient from the psychiatric residential treatment facility outside, near my fence-line; the fence my home shares with this business. The male patient is the same one seen getting aggressive and screaming in past complaints to DHHS; April 17, 2024 to be specific. I don't know what is going on and why these patients are coming in and out the front door and then walking outside, along our shared fence and entering the businesses backyard. I want this information added to the file that the State has regarding this psychiatric residential treatment facility for severely emotionally disturbed children. I can see someone in a red-looking top in the video and I can see the patient as well. I hear someone say, "Both of you stop," in a firm voice. Then, as seen in the video, the patient wearing a black shirt is seen walking out of the home via the front door, then the patient in the black shirt walks toward my fenceline and opens the gate along the fenceline we share and he goes into the gate.</p> <p>There are other videos that show what appears to be a worker wandering the front area o the home, then approaching the fence as if he is looking for someone/something.</p> <p>A third video I have shows a third and different person entering the front yard of this business from the right side of the video frame.</p> <p>Is this home under a lockdown or not? Are these patients to be entering and exiting from the front door of the home? This is now the second instance of this same boy in the black T-shirt acting this way. I looked at my security camera and saw the same kid in the black shirt - the one that appears in other complaint videos I have submitted recently/this week - standing outside of the front of the home, on the porch that is adjacent to the fenceline my home shares with this facility. The patient was in conversation with someone who appears to be a worker at the psychiatric residential treatment facility. It appears the woman worker was trying coaxing the patient to come BACK INSIDE THE FACILITY.</p> <p>Again, isn't this a hospital-type of treatment facility? Are these patients allowed to enter and exit the front door when they want? What are the security standards for this type of business? It's alarming to see the same kid coming outside and in and out the sideyard/sidegate and hanging on the front porch of this facility. This is also the same kid who expressed violent and aggressive behavior toward another patient in the home; he's also the same kid that screams and yells FUUUUUCK whenever he is in the backyard of the facility. This is disruptive to me and my family and prevents us from being able to use and enjoy our own backyard space.</p> <p>This same kid is seen out front of the facility on Saturday April 20, 2024, 5:56 p.m. He's seen again out front of the facility on Monday April 22, 2024, 7:55 p.m. And again, he's out front on Wednesday April 24, approx. 10 a.m.</p>	2840 Sandestin Dr, Reno, NV 89523	Closed	Code Enforcement	2024-04-25 09:58:12	5

SER0048196	Service Request - Zoning Issues with a BusinessSER0048196	There is a silver Jeep parked and it is blocking the public sidewalk at 2840 Sandestin Drive Reno NV 89523. I want to add this to file: SER0045784 + ENF4C02530 Because the Jeep is parked here it forces my 8-year-old son to walk in the street on his way home from his school bus stop. These workers block the sidewalk frequently. I worry about my boy being in the street where cars speed, park illegally and U-Turn illegally - and it's predominately the workers at this business causing the majority of the problems and issues.	2840 Sandestin Dr, Reno, NV 89523	New	Code Enforcement	2024-04-25 16:56:53	5
