SER0051013	Both white Ford F250 & Conquest RV - 10501 Foxberry Park Ct - Parking Illegally/Abandoned vehicleSER0051013	Once again, our neighbor Bryan Goff, has turned our cul de sac into an RV Park. How is it ok that he keeps doing this? I have included a screen shot from Reno.gov that clearly states camping in the city of Reno is limited to an RV park. It is not legal to camp on the street, which Bryan Goff is inviting strangers to do. We have an elderly neighbor with dementia that gets very upset when strangers are in the cul de sac parked overnight. Bryan Goff has decided to be a "Harvest Host" to spite his neighbors. If it isn't random strangers camping in our cul de sac, it's his own personal cabover Ford parked in the street. THIS IS NOT AN RV PARK!!!!!! THIS IS NOT RV STORAGE!!!! I am including (again) his social media post about becoming a "Harvest Host" because his neighbor is a real "fucker" about his cabover. Many neighbors have submitted complaint about his RV being parked over 48 hours, which is illegal. He parks in front of or at an angle in a red zone. Parking in front of the red zone not only blocks emergency, maintenance vehicles and landscaping vehicles from being able to enter the wetlands, the way he parks for weeks on end makes it impossible for garbage trucks and fire engines to make a complete turn around in the cul de sac without having to back up several times. So yes, this neighborhood does not appreciate Bryan Goff and his disregard for others. And yes, it does affect us all living here. And no, it has nothing to do with his camper's appearance. Unlike what he blasted all over the internet. This is the third night in the past week this particular RV has camped over night on the public street.	10501 Foxberry Park Ct, Reno, NV 89521	New	Code Enforcement	2024-05-19 20:29:43	2

SER0051332	Service Request - Homeless ConcernsSER0051332	The homeless issue in this entire shopping center at Firecreek is completely out of hand and something needs to be done about it now. I am a young girl and I work in a store in Firecreek that I need to walk to. Every day I have to avoid these people walking to work, from work, and during work. They surround the buildings and I see them literally living in the storm drain under the Sam's Club parking lot. I myself have had to throw out and keep out so many from my store as I have caught them stealing or trying to steal. I have been harassed by them just sitting outside at Starbucks. Some of them have threatened me and thrown things at me, they have also been littering and defecating all over the properties. Its disgusting. I used to have a lot of sympathy for these people, but with how I have been treated by the vast majority of them that plague this shopping center I no longer feel bad. they are violent and disgusting and they need to be dealt with. I am tired of having to keep these people out of my store. My store also has a lot of children and families that come here and these vagrants make this place absolutely unsafe. Firecreek has its own private security team but they refuse to do anything about the homeless population when we call for help - they either dont show up at all, or they tell us that they can't do anything about it period. They might as well not even be here. it is the city's responsibility to take action and you need to take action NOW. This is not an isolatef incident but something that had been progressively getting worse in the three years that I have worked and lived nearby.
