SER0053239	475 Cemetry Rd #69- sign request SER0053239	The reporting party advises that they have had issues with peeping toms. RPD was called but said they could not do anything due to the property not having "no trespassing signs" on the property. Reporting party spoke to the property management team who refused to put up signs. RPD then advised the request be submitted to Code. The reporting party also advises that the weeds in the back of the property are very overgrown and tall, which is where the homeless are regularly hiding when trespassing, which is also causing a potential fire hazard.	475 Cemetery Rd, Reno, NV 89503	Open	Code Enforcement	2024-06-07 11:48:30	1
SER0053258	Fw: RenoSER0053258	<p>Hello,</p> <p>Thank you Jennifer for speaking with me today regarding 308 College Court which is the residence next to our home at 312 College Court.</p> <p>I do understand the owner of 308 College Court rents the home. Please see attached photos as I personally took on Tuesday, June 4, 2024. Today is the first I was able to email. These photos were taken from my driveway and you can clearly see the bags of trash and debris. This smells horrible and there appears to be dog feces as well. On another note, a resident of the home is riding a dirt bike in the back yard typically at 10:00 AM this is not only noisy but creates a cloud of dust. I do not believe this type of activity is allowed in the City of Reno.</p> <p>I thank you for your assistance and hope this can be resolved quickly.</p> <p>Regards,</p> <p>Gail L Krolick Gail L Krolick, C2EX Incline Village REALTORS® Realtor S.0050890 Property Manager PM.0150890775.741.3105 Mobile 775.831.8100 Officesellingtahoe@sbcglobal.net Alpine Realty International, Co-OwnerLOCAL/GLOBAL/CONNECTED Selling Tahoe, Sand to Summit and Abroad2022 Good Neighbor Committee 2022 Public Policy Committee2021 Nevada State Elected Director2021,2020 Incline Village Realtors Public Policy Chair2018 Incline Village Realtors, Realtor of the Year2017 Incline Village Realtors President Be aware! SER0053355	Service Request - Yard issues on private propertySER0053355	<p>Last year this property was landscaped and new shrubs were planted. It was a great improvement, but they planted red tipped photonia, which grow quite large. Unfortunately these shrubs are growing and starting to obstruct the view of southbound Virginia St traffic from the stop sign at Isbell St. It's not bad in my truck, but in my Outback it's getting difficult to see oncoming traffic without putting the nose of my car too far into it.</p> <p>Is it possible to ask the property owners to move those shrubs back, closer to the building and away from Virginia St? I appreciate them making their property look nice, but those bushes are going to cause some accidents.</p> <p>Please just go check it out. In a car, not a truck. Take a right onto S Virginia from Isbell Rd and try to get a clear sight of traffic through the shrubs.</p> <p>Thank you!!</p>	3255 S Virginia St, Reno, NV 89502	Open	Code Enforcement	2024-06-08 23:27:49	1

SER0053371	Service Request - Building - Vacant/Blighted/UnsecureSER0053371	This home experienced a fire nearly two years ago. It is still vacant an work has been done on it for some time. The landscaping that was burned has never been removed and now a large pine in the front is completely dead. The landscaping is a fire hazard and needs to be addressed. It's a sad looking property on an otherwise well kept street.	5380 Twin Creeks Dr, Reno, NV 89523	Open	Code Enforcement	2024-06-09 09:02:22	5
SER0053376	Service Request - Debris on Private PropertySER0053376	<p>Driveway and yard covered haphazardly with junk 24-7 for at least three weeks so far. No indication this will be temporary. Includes clothing, furniture, stacks of tires, etc. New items are added periodically. They may consider it a "yard sale" - but no one is present to collect payments &amp; the items are left outside day &amp; night. It seems that over time more items are added than removed.</p> <p>Concerned about 1) visual blight that impacts neighborhood, 2) cloth items on ground that may attract rodents, 3) inability to use the sidewalk as the residents now routinely park across the sidewalk now that their driveway is not available, 4) possible fire safety issues since they also frequently park close to the fire hydrant (at leas partially across the red zone). In addition, their their third vehicle (which they usually park on the street just above their house facing the wrong way) is always at least 2 to 2.5 feet from the curb leaving less space for passing cars.</p>	7264 Heatherwood Dr, Reno, NV 89523	Closed	Code Enforcement	2024-06-09 10:52:23	5

SER0053451	1410 Carlin St. - Rental Issues SER0053451	<p>Hello,</p> <p>I am writing you in concern of the community dumpster at my apartment complex. 1410 Carlin St. Reno NV 89503</p> <p>Currently, the dumpster sits about 4 feet from my apartment door as well as my neighbors. previously it was in front of my window and A/C unit. I asked them to move it and they moved it to the left which placed it in front of my door.</p> <p>My concerns for this are:</p> <p>To begin with, it is highly unsanitary. From the garbage itself to the bugs and rodents it brings. Now that it is getting hotter it stinks and I do not enjoy the smell trash when I walk out my door in the morning. It is constantly left open from other tenants which brings even more problems of insects and smell. I am concerned about the affects it could have on my health as well as other tenants.</p> <p>2. It is noisy. Being that it is the community dumpster tenants are constantly opening and letting the lid slam shut. As well as the homeless digging through it during the day or night and pulling the trash out and leaving it. The garbage trucks comes extremaly early in the morning and picks up the garbage which makes its own noises from lifting the dumpster, shaking it to get the trash out and then backing out of the drive way with the caution backing up beeping sound.</p> <p>3. If there ever was a dumpster fire, it would burn down the apartment complex. it is that close to the building as well as right above it is the wooden balcony of the second floor.</p> <p>4. Lastly, anesthetically it is not very attractive to live next to a dumpster or to see first thing in the morning. There is plenty of space in the parking lot that they can place this dumpster. I have tried to move it myself but it does not have wheels.</p> <p>I am concerned that I could be evicted if I keep saying something about the dumpster. I have a month-to-month lease which could be terminated anytime from the property management.</p>	1410 Carlin St, Reno, NV 89503	Open	Code Enforcement	2024-06-10 08:41:28	5
