The owners moved out during the covid pandemic, and have employees coming and going at various times. All of this would be okay, but the lack of upkeep, cleanliness, and general mess is not only unsightly but frankly a hug fire risk, and a health and safety hazard.</p> <p>Complaints:</p> <p>1) There are cardboard boxes and remnants of cardboard boxes all over the place in both the front and back yards.</p> <p>2) trash not picked up properly that ends up in the street</p>	1495 Majestic Dr, Reno, NV 89503	Closed	Code Enforcement	2024-06-14 15:37:27	5
SER0054212	Service Request - Sidewalk ObstructionSER0054212	It has been over a year since I reported the mulberry bushes out on Boynton Ln along the sidewalks that are now harboring Wasp Nests and our USPS mailwoman hasn't delivered our mail in over 2 weeks because of wasp nests in the mailboxes on the sidewalks along Boynton Ln between Loral Park Way and Lucky Lane. It's been brought to the attention of the former Reno city mayor and now the newly appointed Reno mayor, so far nothing has been done as usual. I have lived my whole life in Reno, over 58 years; I have definitely paid my taxes in this state as do all my neighbors, so do your jobs and pull out the mulberry bushes that are not only poisonous to humans and animals but a severe hazard to our mail delivery. So this is to be attended to immediately.	3600 Boynton Ln, Reno, NV 89502	Open	Code Enforcement	2024-06-14 17:39:33	3

SER0054246	Z Bar: Excessive Noise to 2:00amSER0054246	Hello!  I hope this email finds you well and that you're having a great start to your Monday. I am contacting as a resident of 123 Wonder St regarding the excessive noise coming from Z Bar at 1074 S Virginia St, Reno, NV 89502. From Thursday to Saturday, they have a consistent history of playing loud music from 7:00pm pm until 2:00 am. While this is understandable over the weekend, on *Thursdays* it is an oversight as their music shakes our apartment during the weekday and keeps us awake.  I've attached two folders of noise disturbances with the dates listed below. We ourselves contacted the establishment on the May 31st date and do believe they did lessen the volume of music because of this (they themselves (Z Bar staff) mentioned on the phone that they were getting an "influx" of complaints).  I will continue to reply to this email with further folders as necessary to provide evidence. Please let me know if you have any questions, have an amazing day!  Sincerely, Zoe Blinn  Z Bar Noise May 31st < <a href="https://url.usb.m.mimecastprotect.com/s/XonrCl8W2AHoOMm5IGHorq?domain=drive.google.com">https://url.usb.m.mimecastprotect.com/s/XonrCl8W2AHoOMm5IGHorq?domain=drive.google.com</a> >	1074 S Virginia St, Reno, NV 89502	Closed	Code Enforcement	2024-06-15 22:45:38	3

SER0054599	Service Request - Nuisance, Not Otherwise ListedSER0054599	I'm a resident of Reno dealing with issues related to neighboring properties. One neighbor keeps over 50 chickens, which isn't normally a problem, but during hot weather or rain, the resulting odor becomes quite unpleasant and can be detected from a significant distance. The other neighbor's backyard is cluttered with junk, old furniture, and garbage, along with their own chickens, leading to a persistent mouse problem around my property. These mice have begun digging under the shared corner of our properties, causing damage to my brick patio. Additionally, one of these properties houses a rooster. After consulting with animal control, I've been advised to contact the city for potential solutions. At this stage, I'm weighing my options and seeking information before deciding whether to proceed with a formal complaint.		Closed	Code Enforcement	2024-06-18 22:44:13	3

SER0054704	Weeds on Parcel 212-132-02SER0054704	Good afternoon Mayor Schieve, I was wondering if there is an ordinance or a discussion about commercial property owners which own vacant land keeping the weeds and debris clear since we are always in fire season. This particular property comes to mind: APN 212-132-02 on the corner of Sharlands and Robb Drive. Our home backs up to the desert and even though the City's property is right behind us, we still keep it clear to create a fire break. This particular lot is so overgrown and dried out. Recently a visit to this camp found very poor living conditions and several bicycles in different stages of dismantling. It is obvious the active ditch is used for personal purposes by members of the camp and appears to be adding to contamination with bodily functions and discharge of unknown substances. SAFETY: The ditch is prime for a Vegetation Fire. it's only going to take an ignition source that would move wildfire throughout the community following the pathways of the fuels from the ditch that are in need of fuels reduction measures for the safety of the community and health of the ditch.
