They are constantly disturbing the peace of the neighborhood by reaving their engines, blasting rap music, driving recklessly speeding up and down the streets, drinking alcohol and I suspect doing drugs and selling drugs. I also suspect they are running a chop shop. Tearing cars apart and then leaving them on the street to be towed or something? I have called the non emergency line probably at least 50 times. I am so sick of it! My neighbors are sick of it! I have tried to ask them to slow down and four of them chased me down the street back to my house and threatened me and my family in front of my house! Screaming racial slurs and calling me and my wife names. My neighbors are afraid to say anything to them. These thugs have tattoos and look like gang members. SER0055618	12140 Camel RockSER0055618	<p>I'm not sure if this is the right format to report. A vehicle that is partially blocking the edge of my driveway or not. My neighbor has someone that is currently living out of their motorhome parked in between my driveway and their driveway. They have electrical cords hooked up from their motorhome running to the house for electricity. And the vehicle has not moved in 4 days. It is very difficult for me to get in and out of my driveway, especially with other vehicles passing on the street at the same time. Do I report a vehicle like this here? If not, can you please direct me to where I should be making the report to. Thank you.</p> <p>I have listed all of the information below pertaining to the vehicle and the address location. SER0055723	Service Request - Debris on Private PropertySER0055723	APN 502-591-06 has branches and other landscaping material stacked that can be seen from the sidewalk. It's near the entrance sign. Not sure if it's the home owner or the landscapers that have put it there. The home owner continues to add dirt to the drainage ditch on Nevada Department of Transportation land. So these are two separate issue: the branches and then the dumping of dirt onto the NDOT land.	3596 E Golden Valley Rd, Reno, NV 89506	Open	Code Enforcement	2024-06-27 16:14:32	4
SER0055742	Service Request - Building - Vacant/Blighted/UnsecureSER0055742	Resident at this address drove into his garage door and ripped it off the frame. This incident occurred on 4/19/24. RPD was contacted and said there's nothing they can do unless he causes injury or damage to others. The property has looked as in the attached photo since then. HOA seems powerless to get this resident to comply withCC&Rs. Is this a City code violation? Looks like blight and insecure to all us neighbors.
