SER0060897	Service Request - Zoning Issues with a BusinessSER0060897	Please file with cases SER0045784 + ENF4C02530 The problems at the psychiatric residential treatment facility persist. This business located at 2840 Sandestin Drive has had MULTIPLE responses from RPD in the past few weeks days: July 22, 2024; August 2, 2024; August 8, 2024 Last Friday (Aug. 2, 2024) there was an RPD officer involved in a very loud and very heated, PROFANITY FUELED screaming match outside ON THE FRONT LAWN of this business. My two sons and two other kids who live three homes up from me were riding their bikes and had to witness this screaming and yelling between the cop and the patient of this facility. It was totally inappropriate. My neighbor who lives five houses up was working in his garage and the cursing and yelling was so bad he walked down to my house to see what was going on. It was his two kids - a girl and a boy - who were out riding their bikes and also had to witness this yelling match between a patient and the cop. HOW IS THIS OK?? Why would a cop engage with a patient like that? FOR REFERENCE: This screaming and yelling between the cop and the patient on Aug. 2 at this business comes after my 8 year old son and I were verbally attacked when we walked into our own backyard on the afternoon of July 22. A patient of this facility unleashed a profanity fueled verbal assault on my 8 year old. My son came inside to tell me what happened, the verbal assault, because he was outside in our private backyard alone with our dog. When I went outside to see what was happening, the patient unleashed the profanity and insults on me. At that point, on the evening of Monday, July 22 I dialed 911 because that patient verbally assaulting my son and I like that - a line has been crossed.	2840 Sandestin Dr, Reno, NV 89523	Closed	Code Enforcement	2024-08-09 08:25:53	5

The whole south building is currently experiencing no hot water. The HOA is only communicating with owners at this time, but I have been advised that this is likely to take about a month. That being there are some options for you.</p> <p>- If you have renters insurance you can see if they will cover you staying elsewhere during the time of this issue being resolved. - The owner is willing to credit you the full month of September rent so you can use those funds to have a different place to stay</p>		Closed	Code Enforcement	2024-08-14 12:42:34
