

PYROTECHNICS INDOOR

OPERATIONAL PERMIT INFORMATION SHEET

Special Use Permit for Pyrotechnics (Indoor)

- All safety rules specified in NFPA 1126 shall be complied with.
- All material shall be as specified by content of plan which has been approved by the Reno Fire Department.
- All pyrotechnic products shall be limited to indoor theatrical use. No class B & C types allowed.
- No fall-out will be allowed.
- Provide a fire watch during the show and for a minimum of ½ hour after the performance.
- The Nevada Licensed Pyrotechnic Operator shall verify that the performance site is free of any pyrotechnic devices or materials.
- Provide two 2A10BC fire extinguishers that have a current State of Nevada service tag.
- Contact Reno Fire Department Dispatch at 334-2306 prior to show.
- This permit shall be posted next to the launch site.
- Additional requirements may be necessary based upon inspection and review of this event.

The applicant accepts responsibility for the use of this Permit, in full compliance with the terms and conditions above, and additionally hereby to assume, pay and hold the City of Reno harmless for any liability arising out of the Permit. This Permit does not take the place of any license required by law and is not transferable. Any change in the use or occupancy of premises shall require a new permit.
