SER0063929	Service Request - Rental Property Issues- 1570 Sky Valley Dr, H302SER0063929	Property is uninhabitable; property management is doing a full renovation on my studio apartment while I'm living there with no consent. They are turning off the water and electricity for 5 days and redoing the paint on the walls, the flooring, cabinets, appliances, counters, drywall. When I requested either a rent decrease so I could go stay elsewhere, or a model apartment to stay in, they said they could not provide a rent decrease and would only provide a model apartment for business hours from 8am to 5pm. They also requested we move all of our furniture in the apartment or we would be charged a fee. I live in a studio and live by myself up 3 flights of stairs. When I reached out to the management they told me to "just do my best". I am going to be without water and heat for 5 days while it is 90+ degrees outside and my heater/AC was never fixed when requested, so the swamp cooler and fans I have are the only things keeping me cool and I won't be able to use them without electricity. Furthermore, the people doing construction leave broken glass and coolers full of alcohol all over the premises where people can step on them or where kids can grab them. Lastly, the wood outside of the apartment is very rotted and old and I have personally gotten stung twice by the yellowjackets living in there. Whenever I try to reach out to the office about these safety issues they either don't respond or they say there's nothing they can do.	1570 Sky Valley Dr, Reno, NV 89523	Closed	Code Enforcement	2024-09-03 13:31:09	1
