SER0065621	Service Request - Zoning Issues with a BusinessSER0065621	We have observed unauthorized food trucks selling food to students during school hours without the necessary permits or safety inspections. These vendors are not affiliated with the school or the district, and their actions raise significant health and safety concerns for our students. Additionally, it appears these vendors are not complying with the City of Reno's code enforcement regulations, which govern food trucks and mobile vendors. In Reno, food vendors are required to follow specific rules, including maintaining a distance of at least 500 feet from schools during school hours. These regulations are in place to protect student safety and ensure that vendors meet health and business licensing standards. Please let us know how we can assist in any enforcement actions or further reporting. We appreciate your prompt attention to this matter and look forward to your response. SER0065627	Garbage CampsSER0065627	These people, next to the ditch, on the RR side of West 4th, just west of Stoker Ave, have been there for months. The tent ,now spreading more garbage, has been there for 3 weeks. WHY? Please get rid of the garbage at least, if you're not arresting or getting rid of the lawbreakers. Clean and Safe MUST visit this area every week, as no sooner that there out, two days later, starts up again.
