| SER0066645 | Service Request - Yard issues on private propertySER0066645 | Our neighborhood is called "West Meadows" in Verdi. We have contacted our very own HOA numerous times over the duration of the last 2 years, and absolutely nothing has been done to rectify this issue. However, our HOA will come around and leave notices for (1) small weed that is slightly visible to all other neighbors EXCEPT this neighbor. Regardless, I am unsure if the folks in this house are friends with the HOA members, but they seem completely untouchable. The weeds are over 1 foot tall for most of the front yard on both corners, and brittle/dry, which is a superb fire hazard. We just had a major fire in the area just a few weeks ago and there were massive burning embers coming into the neighborhood. I am a former firefighter and had to ensure our home had no weeds and nothing in the area would catch. Furthermore, there is a raggedy black office chair that has been sitting in the front yard for over 2 years, and when the garage is open there is so much junk and trash just littered throughout. I am contacting you guys, which is a higher authority because yet again HOA knows about all of this and has done absolutely nothing, and we are all tired of looking at all the weeds and junk strewn about this yard in a fairly new neighborhood (maybe 3 years old). | 8375 Castletroy Dr, Verdi, NV 89439 | Open | Code Enforcement | 2024-09-24 12:49:54 | |
