SER0067035	Fwd: HomelessSER0067035	<p>Hello,</p> <p>This is a picture of what's been going on for weeks between the Renown Behavioral Health building and the Mill St. Care Center. These people have been here for weeks and their piles of garbage are growing daily. They are exposing themselves while changing clothes next to the dumpster, one guy urinated on another guy's clothes that were on the ground and they are urinating on the wall on the back of the building. There used to be a "Private Property" sign on the post on the covered area but they removed it. Those of us who work at the hospital have to deal with this every day going to and leaving work. They are unpredictable and can be intimidating to some people. They need to be removed.</p> <p>Thank you again,</p> <p>Oreana Henry</p>	890 Mill St, Reno, NV 89502	Closed	Code Enforcement	2024-09-27 08:04:18

SER0067208	2001 Olympic Circle - Camper in front of house.SER0067208	Per Voicemail: "Hi. Um, I was calling about 2 items. I live on Olympic Circle. And, uh, the 1 next door to me at 201 Olympic Circle, owned by Amber player. I've called several times on her a couple of years back. Uh she built a deck in her backyard. We sit on the uh, Canyons side, but you had no permit. And it sat there for a few years, I can't remember how many years ago. Then this summer. They spent all summer tearing it all down. Now they're rebuilding it. And I've checked as best as I can to see if they have a permit in the window or anything. Like I'm used to seeing but I don't see anything. So maybe you should check on these people again to see if they have a permit to rebuild this deck. They didn't just do anything to repair it? They tore the entire thing down. And our rebuilding it from scratch. So I'm sure you have to have a permit for it. It's 21101 Olympic Circle. and it's in the backyard of wood deck, the other 1 is on the other side of the vacant. Lot at 2001 Olympic. And they're the same problem. There's a camper that's again parked in front of the house. Stay at 1 time said oh, that's the side of the house. No, that's not the side of the house. That is the front of the house. That's the front door. And it's been there for several days now and I know there's a limit to how long you can park in front of your house, it's not on the curb. It's in the cement area in the front of their house. So, it's unsightly. If you would take a look at that as well, since this is the second or third time, I've reported on it, I'd appreciate it. I would appreciate every response back. You can leave me a message a detailed 1 if I'm not here. No problem with privacy. And the phone number is 775-826-1853 again, 775-8261 853. Thank you. SER0067211	1140 Beech St - Homeless Encampment on Private Property SER0067211	Per Voicemail: " Yeah, hi. So um I was employed at Reno Valley uh, retirement home, several years ago and it was um, invaded by homeless people that caught it on fire and finally, plowed it down and up up with up campus was going to build, um, senior or uh, Student housing there. So it is an empty lot. It is fence, but it is not secure. It is not contained. So, um, It's right across the street from the dick Taylor Park. So there were several homeless people that, for the last 3 years constantly, try to camp out by that more ditch, that was behind it. Um, at 1 time before they plowed it down there, the lot was more empty and there must have been about 30. Um, well after they plowed it down the retirement home, there must have been about 30 or 40 tents out there that invaded it. So the property is not secure. That is not contained. He's been a problem for years uh by the more ditch as well as on that property. Um but they have started camping out and he said that the guy that said that he couldn't camp out by the others that have relocated from the ditch over to private property. That's not contained. So um Anyway. Um I don't know what to say, I've complained before when they've started settling there, um, I've left the owner of the property or the corporation that owns a property. His mailbox is full, so I don't know if you have anything to do, but they're out there. Rudy is out there telling people that it's his property and they must people must give him drugs to stay there. SER0067433	Service Request - Nuisance, Not Otherwise ListedSER0067433	I live in The Green Leaf Republic apartment complex located at 1550 Evans Ave, Reno, NV 89512. The building where the office, gym, etc is located is at the very front of the complex. As far as I can tell, there is only one elevator for that building. I have tried to use the elevator every single time I've gone there for the past month and a half and it has never worked. I doubt my apartment manager would be very receptive if I brought this issue up to them as I suspect they already know and just don't care. There has never been any sign indicating that the elevator is broken or that they are working on getting it fixed.	1550 Evans Ave, Reno, NV 89512	Open	Code Enforcement	2024-10-01 09:03:30
