SER0068821	Homeless Encampments in and Around Firecreek CrossingSER0068821	<p>Hi there, my name is Shara, and I'm the manager at Toys N More in Firecreek Crossing. I'm writing today to inform you of the homeless issue in this shopping center. It is wildly out of control. I'm attaching photos of two separate encampments that are currently going up, as well as some other photos to try and illustrate how bad this issue is. Sorry in advance - it's gross. But it really speaks to the issues around here and why we desperately need a change.</p> <p>I do want to note that ESI Security monitors the property but they do not do anything to keep these people from congregating. They'll chase them away, but they don't formally trespass anyone and they just come back when security drives away. We might as well not have security at all.</p> <p>The first encampment is in our parking lot. I have been watching them build and security drive by unbothered all day yesterday and today. I have also witnessed these people harassing customers trying to visit our store.</p> <p>The second encampment is on Redfield Parkway if you're coming east, just when you're turning right into Firecreek Crossing. There is a stormdrain that goes underneath the Sam's Club parking lot, and there are undoubtedly people living in that storm drain. The drain will get chained and locked periodically, but the people living in there just cut the locks and get back in. As of today, the gate is unlocked. They also use the wooded area around the storm drain as a campsite and have been doing so more and more in recent weeks. I walk to and from work so I see and have to *try* to avoid this part of my daily walk every day. I do not have photos but I know they live in there.</p> <p>Anyways, I have worked here for 4 years, and it has gotten worse and</p>	4500 Baker Ln, Reno, NV 89509	Open	Code Enforcement	2024-10-12 14:56:09

SER0068856	Service Request - Nuisance, Not Otherwise ListedSER0068856	<p>The property at 1575 Polo Park Drive, Reno, NV 89523 is potentially operating an illegal business, creating a public safety concern, devaluing property, and obstructing private property access.</p> <p>Concern regarding illegal business: property is clearly running a trailer rental and car rental business from their residence. They have 15+ trailers and 10+ cars available for rent (check air bnb). Do they have a Nevada state business license, sales and use tax permit, home occupation permit (they live inside their home where they conduct business), home business ordinance, etc.? They conduct business on their property.</p> <p>Concern regarding safety, property, access: they have 25+ vehicles parked on private property and along public roads. They disregard access to property and park in front of driveways, homes, and property lines. Additionally, they are using an abandoned house for storage (1585 Polo Park Dr, Reno, NV 89523) is being used to store vehicles and trailers without property owner consent. They are devaluing homes because their property looks like a storage facility and junkyard. For safety, my family has nearly been ran over multiple times because their line of sight is obstructed due to multiple trailers and vehicles parked on property and public road and walking down sidewalk has become dangerous. Navigating the public road has become dangerous because drivers cannot see around all the trailers/cars and this situation will cause an accident (vehicle vs pedestrian or vehicle vs vehicle).</p> <p>This issue has been discussed with multiple neighbors, multiple complaints have been filed, and clearly the City of Reno is disregarding our complaints for over 2 years because not only has nothing been done, but they have since expanded their business.</p> <p>How many complaints must be filed in order for the City to take action on behalf of its citizens?</p>	1575 Polo Park Dr, Reno, NV 89523	Open	Code Enforcement	2024-10-13 18:06:26

Any questions or concerns please call me at > 775. 544. 1476. Question: I'm only familiar with black gas lines, none of the lines in the photographs are black. Do the pipes in the photos look like gas pipe? SER0069046	Service Request - Yard issues on private propertySER0069046	ENF25-C00724 is being ignored. Despite Neal Anderson's courtesy call to the property management company or HOA, the limbs on the tree at this location have not been trimmed to the 13'6" height required by the Reno Municipal Code. Please send them a letter like the one I received from the city for my single family rental in northwest Reno. It is unfair that I have to respond to the City's threatening correspondence and these lazy people don't even get a similar letter. I have been submitting complaints about this tree for TWO YEARS! I have even sent correspondence to Karl Hall the City Attorney and this just keeps getting ignored. The tree hits my RV when I drive up Ridgeview Drive. So, I have to turn on my emergency flashers and go around it on the opposite side of the road. Also attached is a picture of the tree taken just a few minutes ago.	2131 Stone Hill Cir, Reno, NV 89519	Closed	Code Enforcement	2024-10-15 10:29:23
