SUBJECT: Truckee River Path Plan and Improvements Update (ARPA Funded)

The purpose of this memo is to provide an update on the elements Council approved using \$3 million in State and Local Fiscal Recovery Funds (SLFRF) funds for the Truckee River Path Plan and improvements.

All elements approved by Council on May 8, 2024, and June 5, 2024, for SLFRF will be obligated and under contract by December 31, 2024. The total allocated amount will be fully spent by December 31, 2026, and no additional funds will be available for reallocation.

Below is a summary and status update for each element and a table is also provided on the last page of this memo.

Truckee River Vision Plan

o Council accepted the Plan on September 25, 2024.

Trash Cans & Pet Waste Stations

- 48 animal-proof trash cans and 32 pet waste stations will be installed along the Truckee River Path from Booth Street to John Champion Park.
- o Installation planned for November/December 2024.

Wayfinding

- o The Downtown Reno Riverwalk logo and trashcan graphics have been finalized.
- o The wayfinding plan is in design and fabricators will be contracted by December 2024.
- o Installation of the Wayfinding is scheduled to be complete by summer 2025.

Paint Refresh

- o Includes repainting the faded riverwalk infrastructure, including light poles, railings, and trash cans, in a black color.
- o Construction bids were opened on October 24, 2024. Painting is anticipated to start in spring 2025.

Truckee River Path Lighting Safety Improvements

- o Includes design, purchase, and installation of lighting along the Truckee River from Booth Street to Fisherman's Park to improve safety on the path. Currently, the lighting levels are very low or non-existent.
- o Construction bids were opened on October 29, 2024.
- Staff will present the scope of the lighting and two options for light fixtures to City Council on November 20, 2024.
- o Truckee River path safety lighting work is anticipated to start in January 2025.

West Street Plaza

- Outdoor furniture purchasing will be completed in December 2024, with installation expected in Spring 2025.
- The Call for Artists for the public art murals was posted on October 28, 2024, and will close on December 1, 2024. Submissions will be reviewed by the Public Art Committee on December 9, and recommendations for approval will be presented to the Arts & Culture Commission on December 16.
- o Activation: One to two city-sponsored events will be held each week, along with one to two monthly events, during the event seasons of May to October in 2025 and 2026.
- o Contracts will be finalized in November 2024.
- Maintenance: The peak season is anticipated to run from May to October, during which cleaning will occur up to three times a week, and pressure washing will be done once a month. The off-season is expected to run from November to April, during which cleaning and pressure washing will be performed as needed.

Truckee River Path Design (Lake St. to Brodhead Park)

 Dig Studio & Public Works staff are currently developing a scope of services that includes a cantilever path, path lighting upgrades, slope stabilization and revegetation, river access points and signage. The contract is expected to be finalized in November 2024.

- o Design to be completed by December 2026.
- o Grant-funding opportunities will be sought for the construction of these projects.
