The main entrance has steps and some one could miss a step and lose their footing and get hurt. I addressed this matter to the management for about two months and nothing was done about it. I have addressed this matter to OSHA and they told me it was something the City of Reno will handle. Also, the outside emergency door on the 7th street of the building has human feces in front of the door. If someone was to get out of the building and use that exit they would step on feces.this matter was addressed to OSHA and they said this was a matter for the City of Reno.	650 Record St, Reno, NV 89512	Open	Code Enforcement	2024-10-29 14:43:47

SER0070739	Service Request - Sidewalk ObstructionSER0070739	There is a very large, completely full trash container parked at 10667 Fire Poppy Cir, Reno, NV 89521. It has been full and overflowing for weeks but has not been moved. Construction Contractor CRBR – RENO BRANCH, who is managing the demolition is at (775) 398-7062. Almost no work has been done since the house burned on May 5, 2024. No complaints about that, but leaving the full bin in on the road for a month is an eyesore and invites the public to dump their trash in the bin, which is already full. In fact, people have stopped their cars in front of my house and unloaded trash into the bin. The company that owns the bin is Olceses Waste Services (775) 882-1647. Is this parked bin in violation of any time constraints? Can you help with this?	10667 Fire Poppy Cir, Reno, NV 89521	Open	Code Enforcement	2024-10-31 10:46:45
