SER0070859	Service Request - Sidewalk ObstructionSER0070859	Foxtails overgrown on laurel Park Way sidewalk which sent my little dog to the veterinarian for emergency treatment, I do have the receipt from this innocent from my veterinarian hospital. I am also requesting the sidewalk all along Boynton to be cleared of overgrown mulberry bushes and pine needles which are an issue for all dog owners. I've sent pictures of this problem back in March of 2024 and you closed the case without finishing the work needed by cutting back the bushes the city planted along our housing community. And I ask that someone finally contact me, my number is below; so I can personally walk them around showing what has been overlooked by the city and the neighbors who are also responsible for the upkeep of their side of the sidewalk, which has been a problem for 2.5 years. I do believe this problem has arose due to people moving here from elsewhere who do not know how America keeps their neighborhoods and cities clean and they are uneducated in local laws and regulations or just lazy and don't care and a good way to resolve this issue would be to put door flyers on homes once a year in neighborhoods needing clean up and maintenance attention.
